Deep in the JUNGLE...

RUDYARD KIPLING'S
THE JUNGLE BOOK

Mowgli is the little jungle boy who grows up in the wild with only animals for company. As a young man (played by Jason Scott Lee), he becomes friends with the beautiful Kitty (Lena Headey) and decides to leave the jungle to be with her, having little idea of what civilisation has in store for him.

When a greedy army official forces Mowgli to show him the jungle's hidden treasures, the so-called civilised world suddenly becomes a more terrible place than the jungle has ever been. Mowgli's only chance of survival is with the help of his loyal animal friends, Baloo the bear, Bagheera the panther and Grey Brother the wolf.

BASED ON KIPLING'S FAMOUS SHORT STORIES COME THE EXCITING ADVENTURES OF MOWGLI IN THE FILM VERSION OF RUDYARD KIPLING'S THE JUNGLE BOOK.

Rudyard Kipling's The Jungle Book, a Walt Disney Picture, will be released at cinemas nationwide from February 17th.

MICKEY MOUSE

Phantom Bob Returns

Ever wondered what the Blot does in his spare time? Well, he reads a lot of crime books - including those by famous crime author Mickey Mouse ...

What? That cunning Mouse has the nerve to do away with Phantom Bob? I don't believe this!

THE DEMISE OF PHANTOM BOB BY M.MOUSE

PHANTOM BOB AND EVIL JIM

PHANTOM BOB'S REVENGE

PHANTOM BOB STRIKES AGAIN

PHANTOM BOB

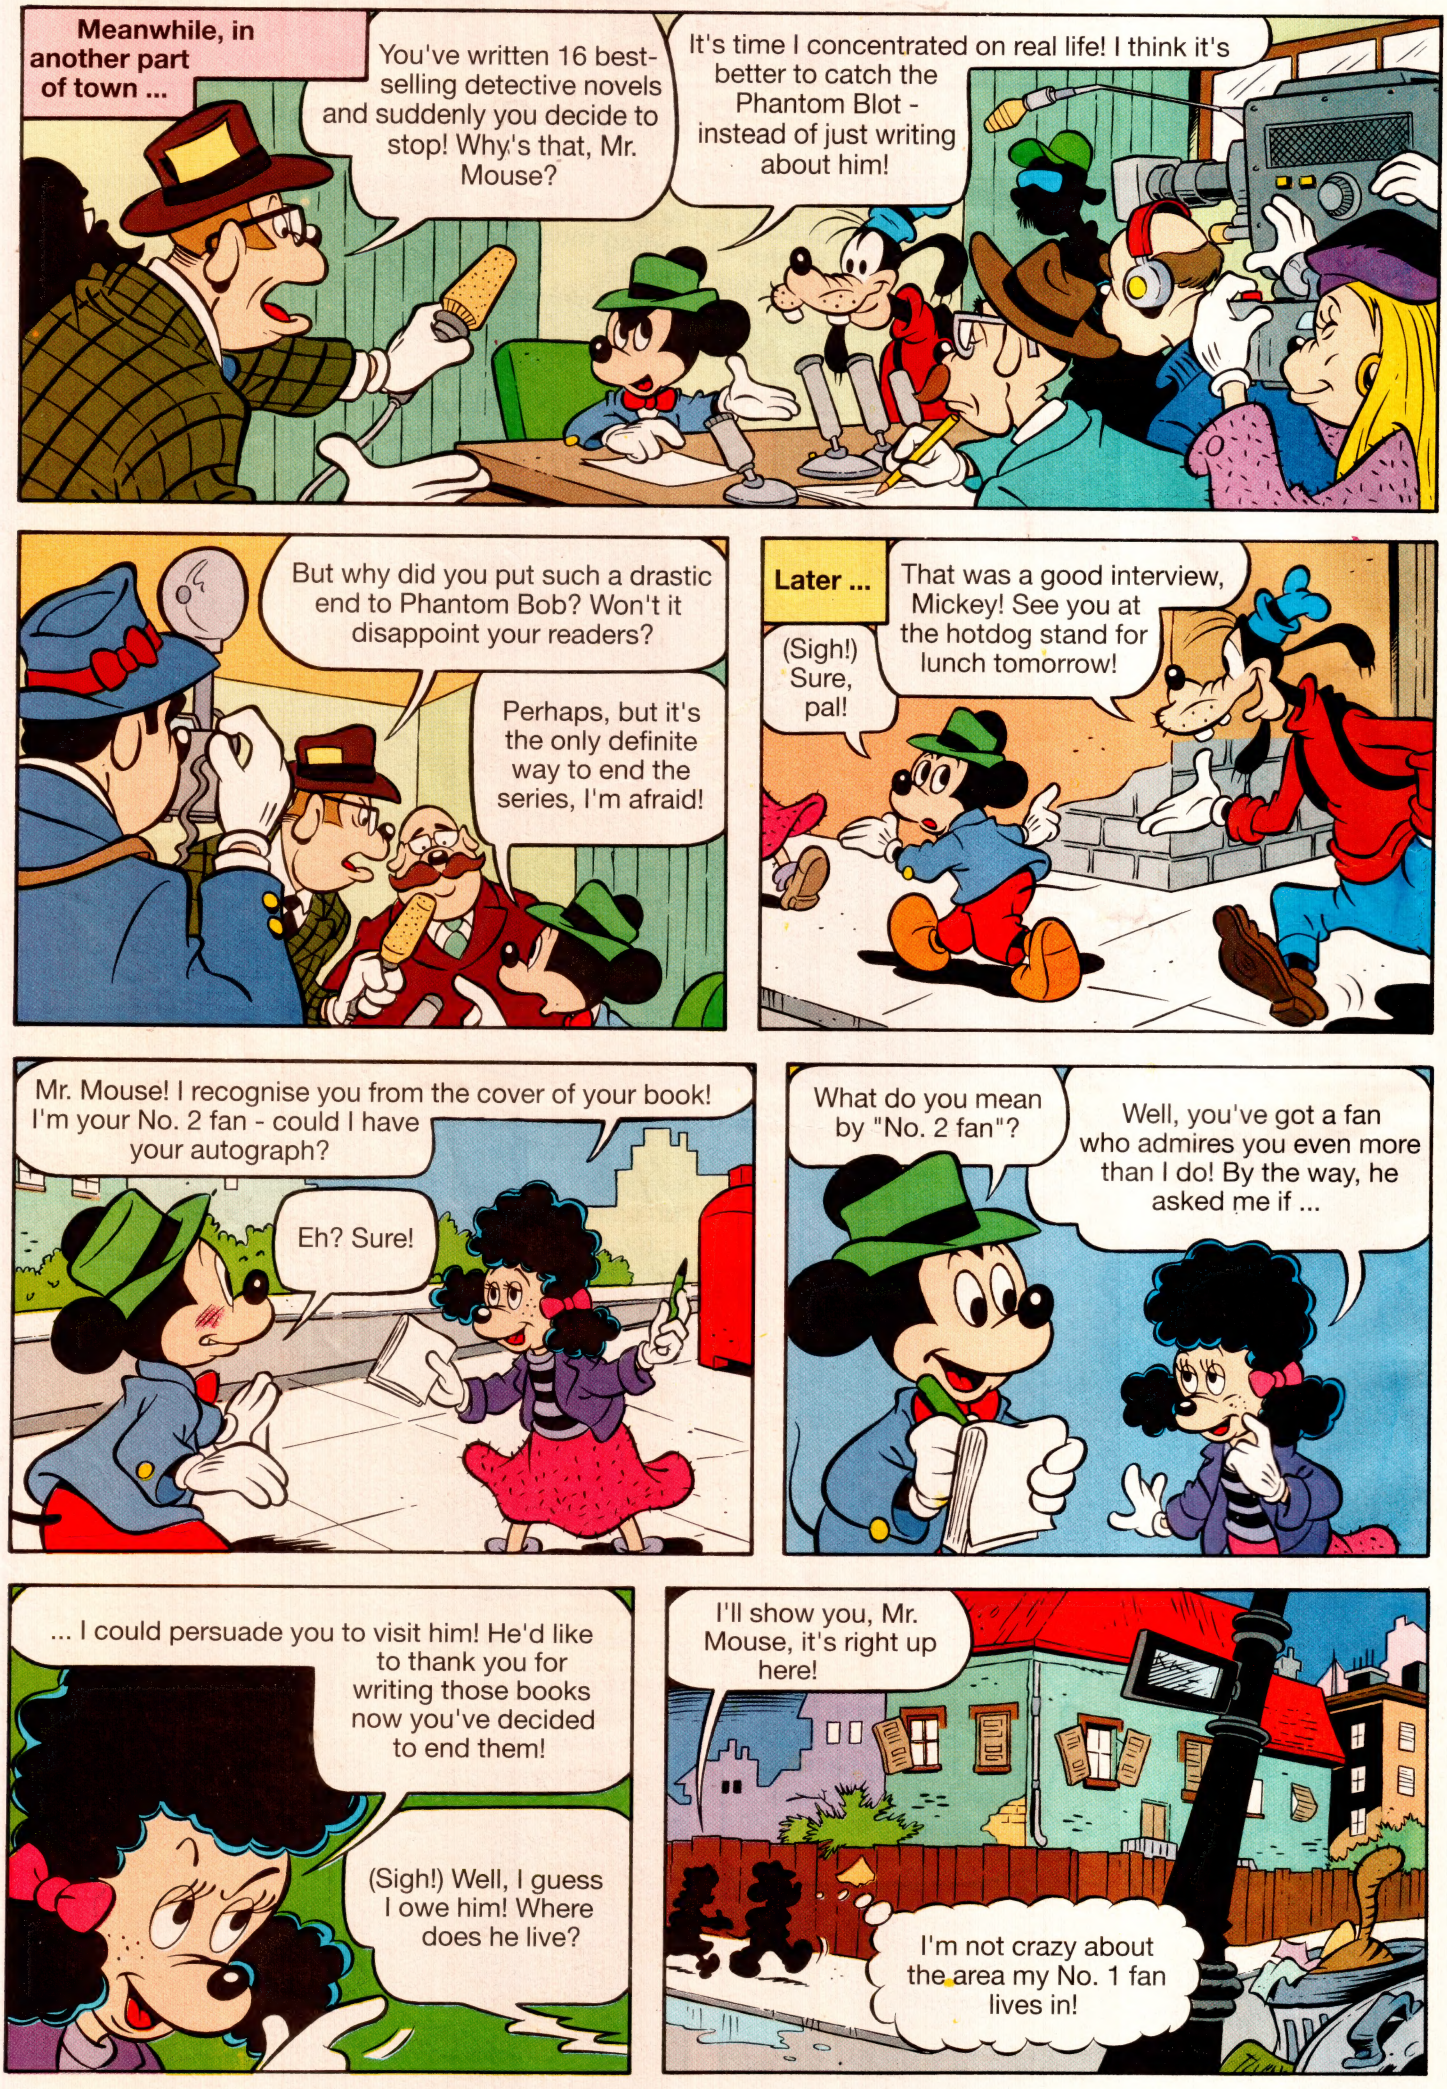
That means no more Phantom Bob books! I can't bear it!

Anyway, it's a lie! He never did away with me in real life! He didn't have the skill - or the nerve!

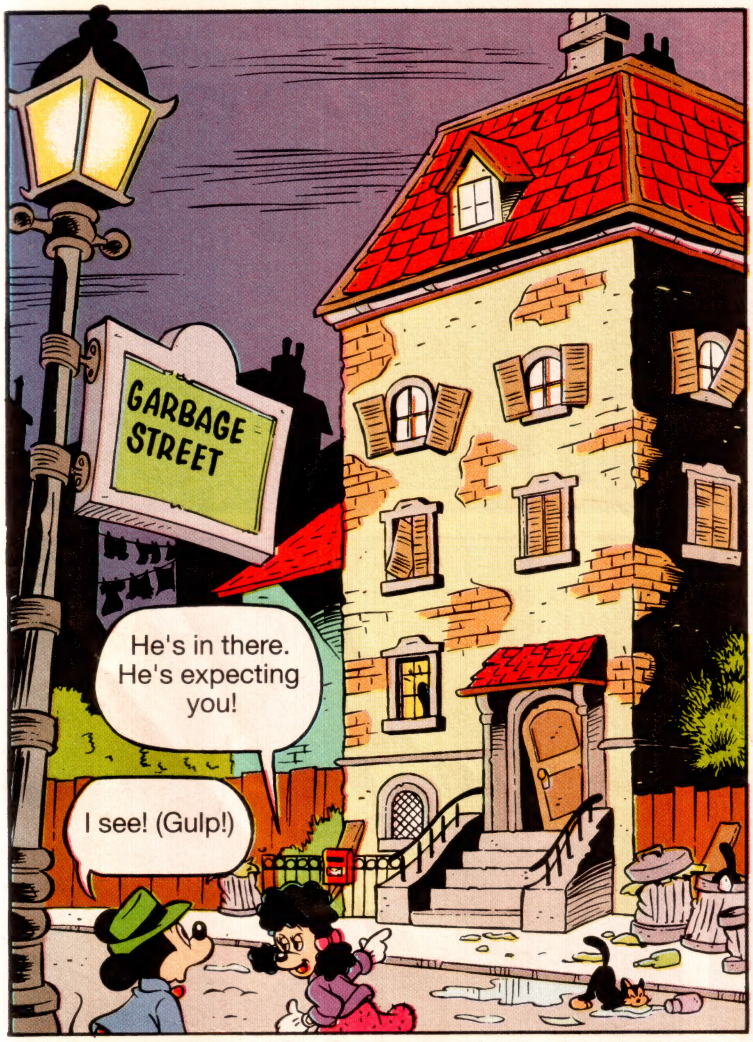
The pompous, big-headed Mouse! I never liked the way his books ended, but I'm not standing for **this**!

He **is** gonna keep churning out more books! I'll **make** him do it!

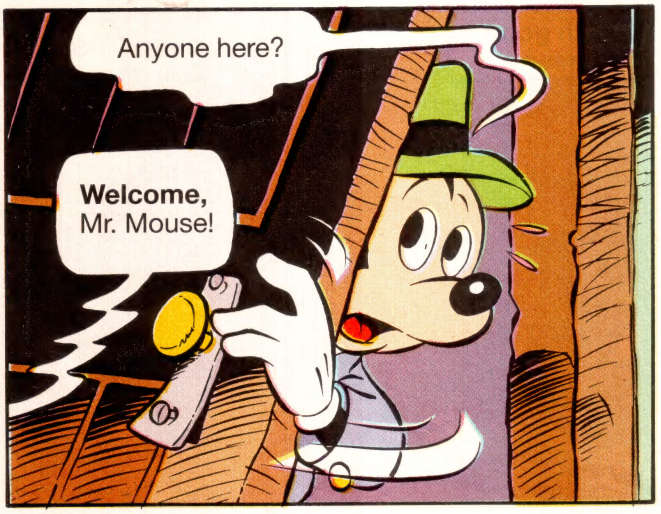
Alberta!



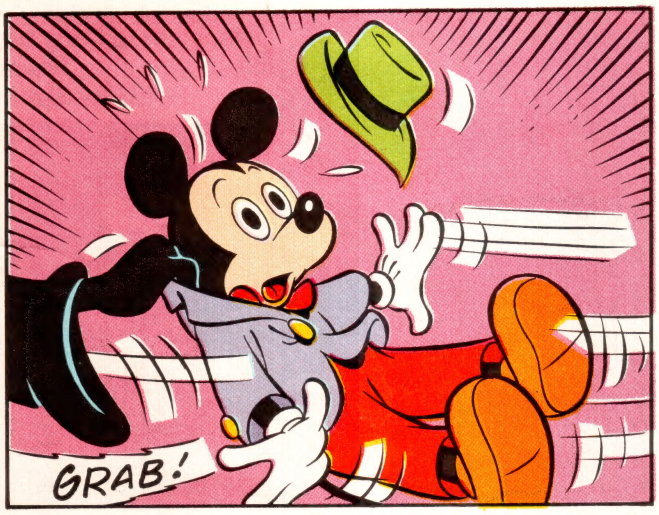
Meanwhile, in another part of town ...
You've written 16 best-selling detective novels and suddenly you decide to stop! Why's that, Mr. Mouse?
It's time I concentrated on real life! I think it's better to catch the Phantom Blot - instead of just writing about him!
But why did you put such a drastic end to Phantom Bob? Won't it disappoint your readers?
Perhaps, but it's the only definite way to end the series, I'm afraid!
Later ...
That was a good interview, Mickey! See you at the hotdog stand for lunch tomorrow!
(Sigh!) Sure, pal!
Mr. Mouse! I recognise you from the cover of your book! I'm your No. 2 fan - could I have your autograph?
Eh? Sure!
What do you mean by "No. 2 fan"?
Well, you've got a fan who admires you even more than I do! By the way, he asked me if ...
... I could persuade you to visit him! He'd like to thank you for writing those books now you've decided to end them!
(Sigh!) Well, I guess I owe him! Where does he live?
I'll show you, Mr. Mouse, it's right up here!
I'm not crazy about the area my No. 1 fan lives in!



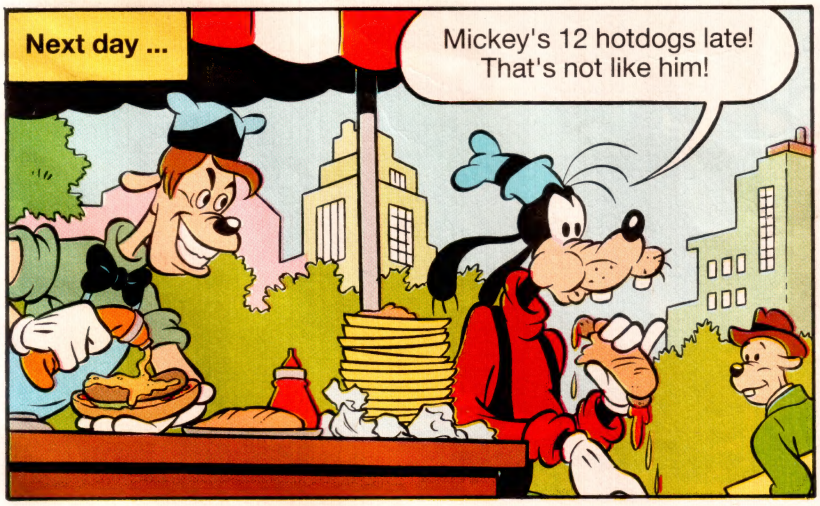
GARBAGE STREET
He's in there. He's expecting you!
I see! (Gulp!)



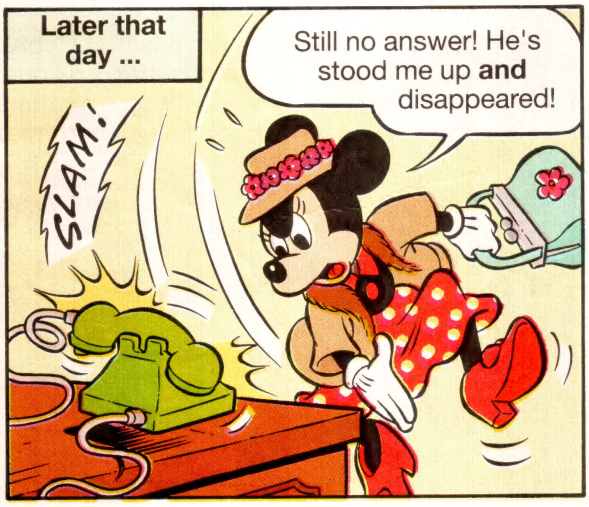
Anyone here?
Welcome, Mr. Mouse!



GRAB!



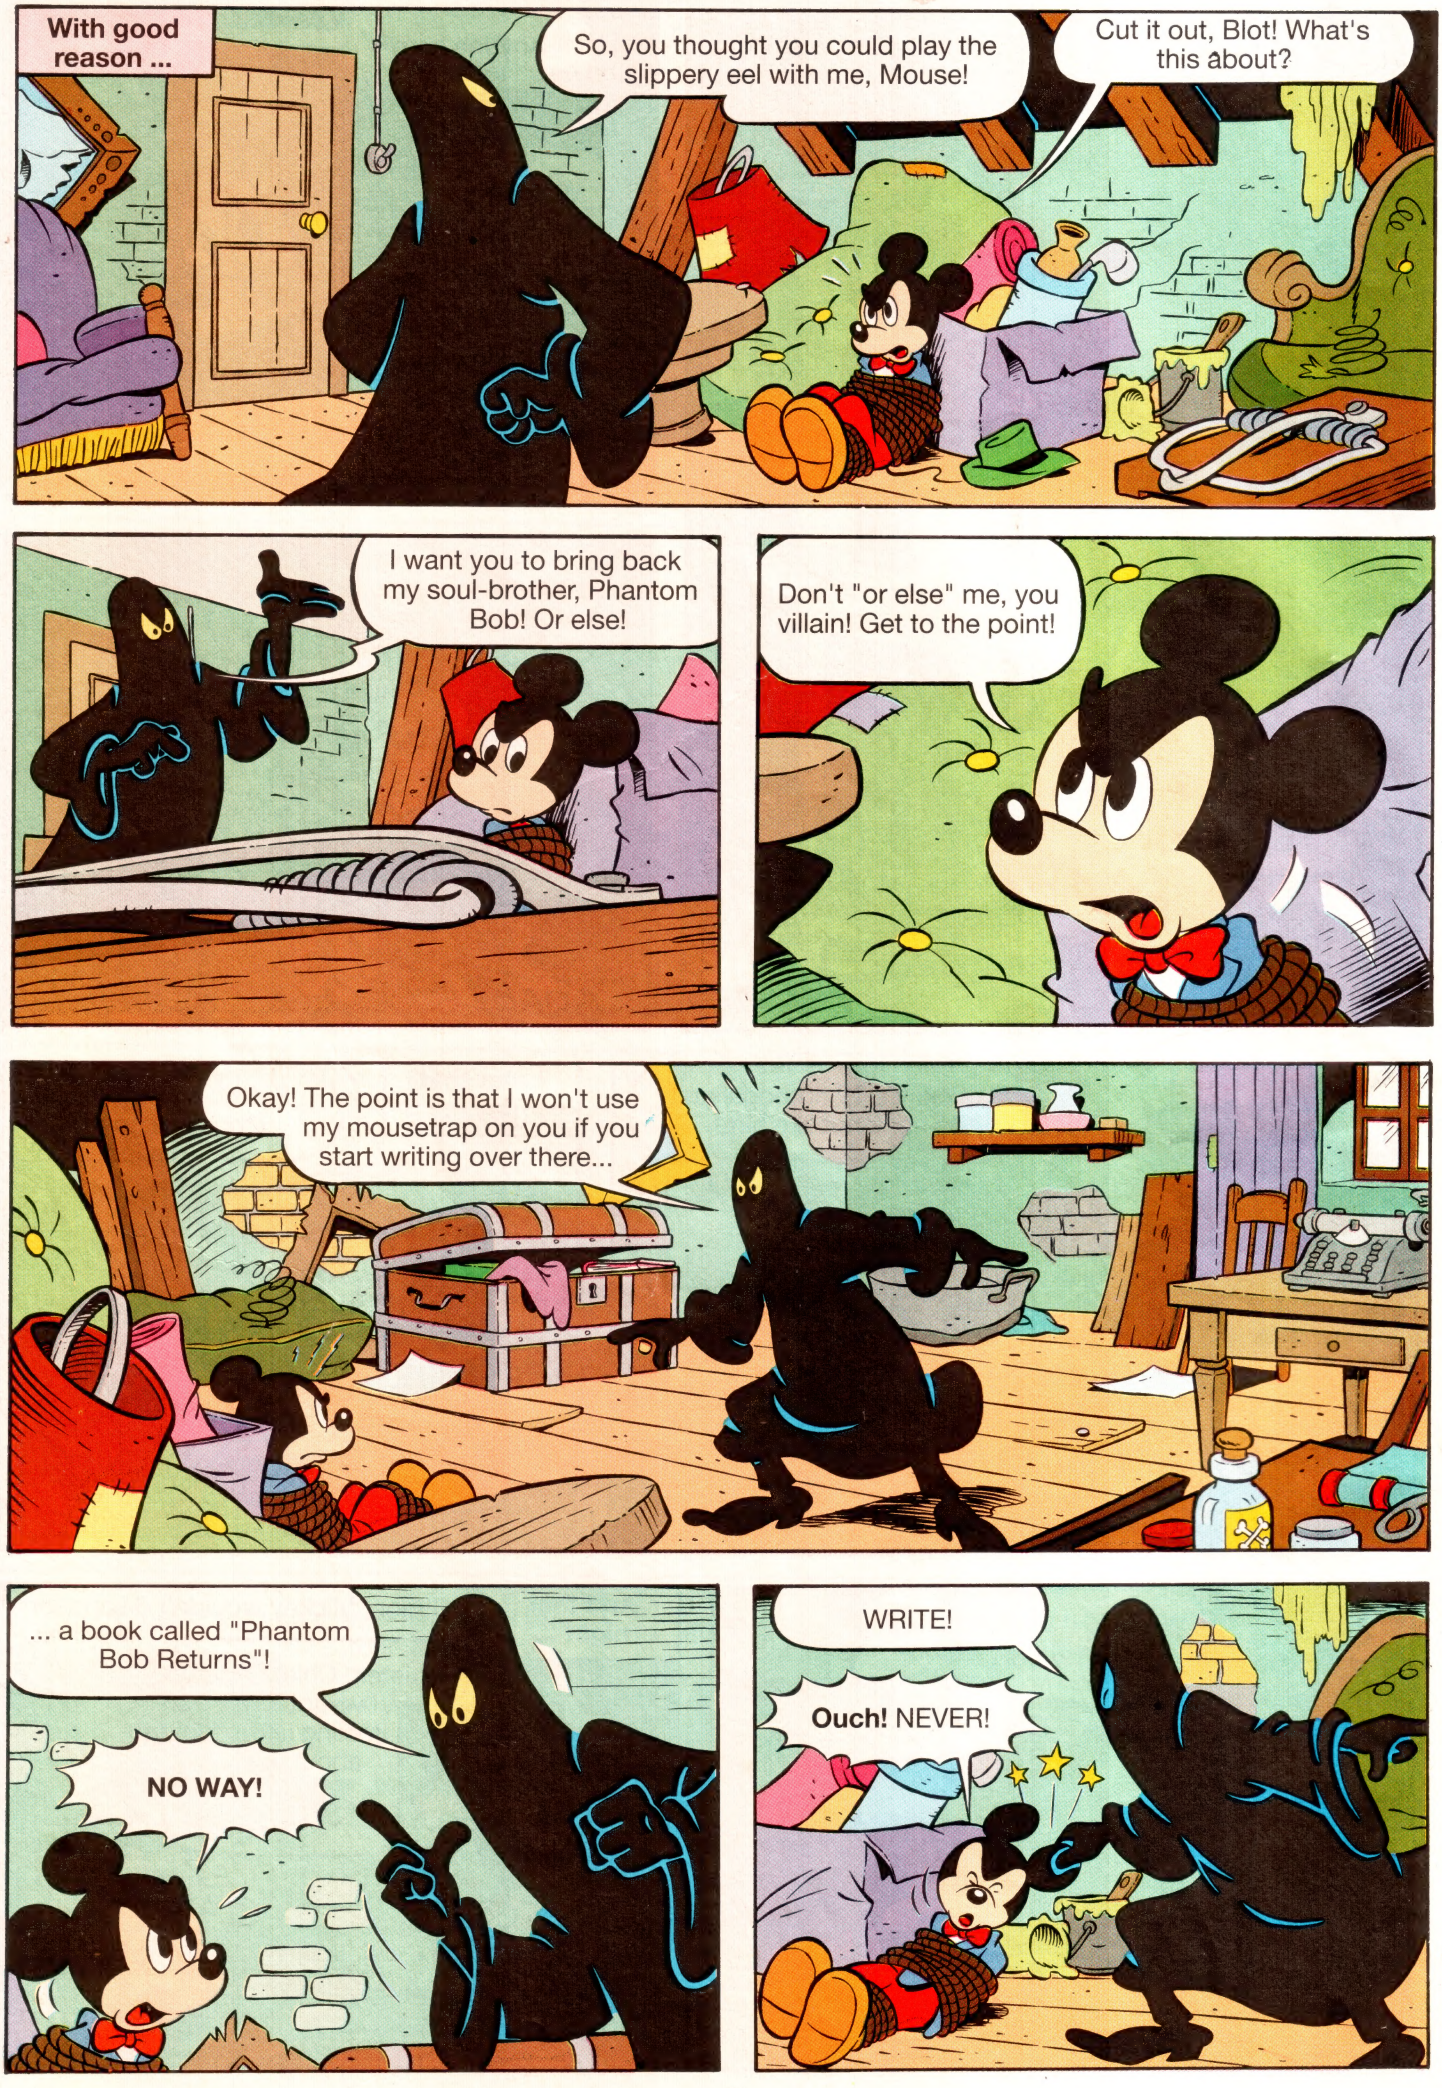
Next day ...
Mickey's 12 hotdogs late! That's not like him!



Later that day ...
Still no answer! He's stood me up and disappeared!
SLAM!

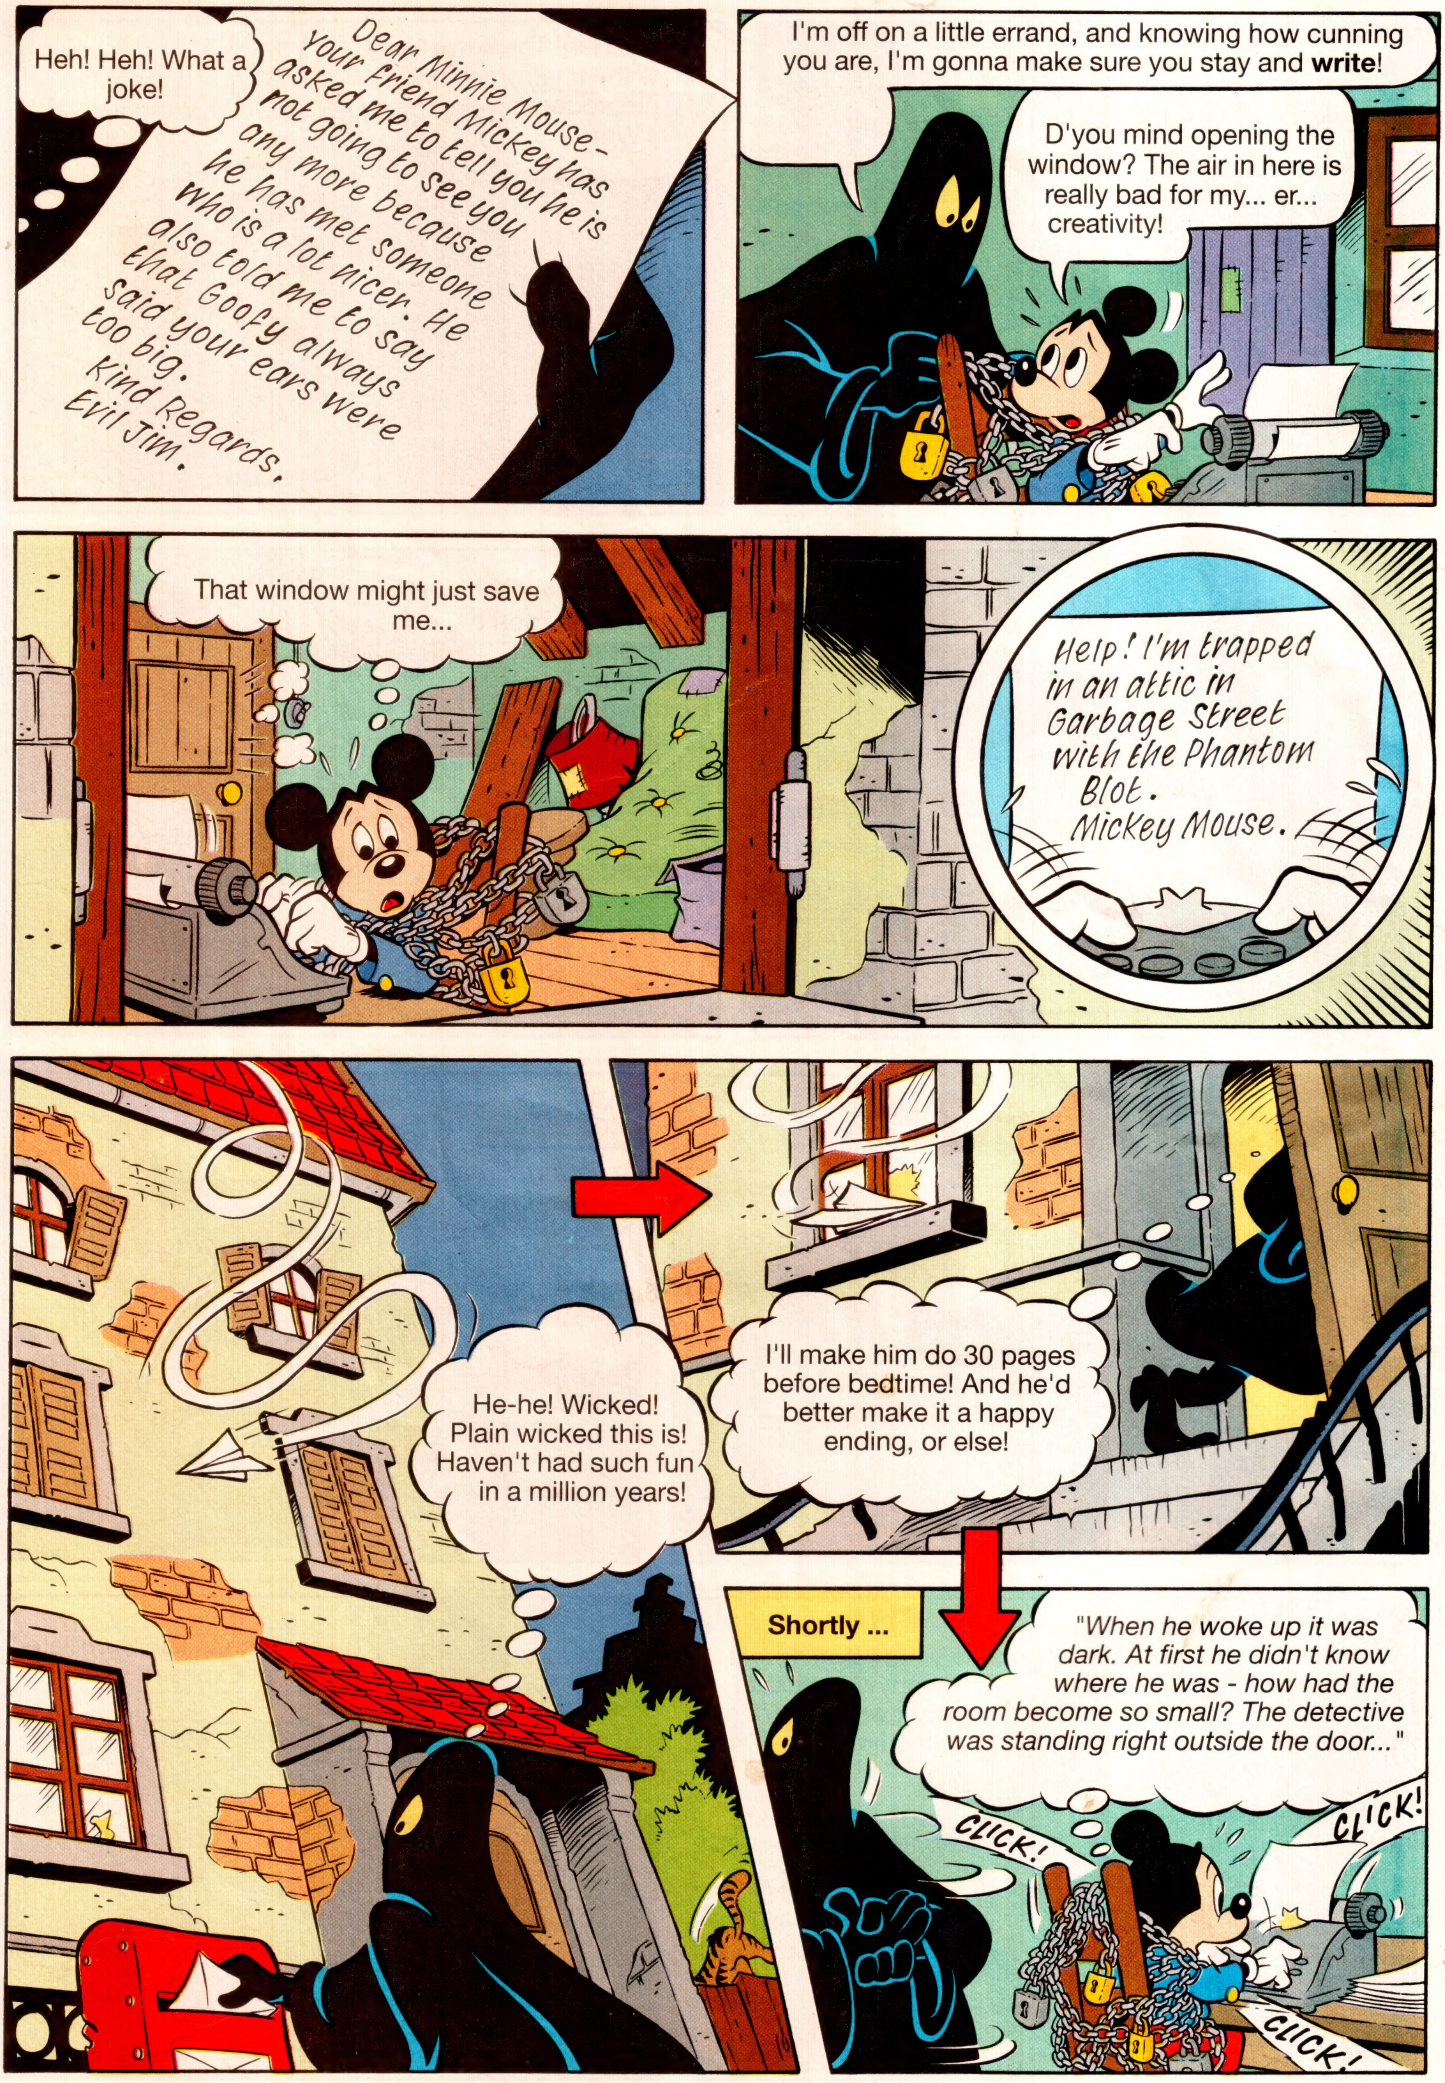
Time for dinner ...
WAAAHH! Uncle Mickey! We're hungry! Booo-hooo!

And that night ...
C'mon! Mickey wouldn't disappear like that!
Listen, Chief O'Hara, I've got a real bad feeling in my tummy about this!

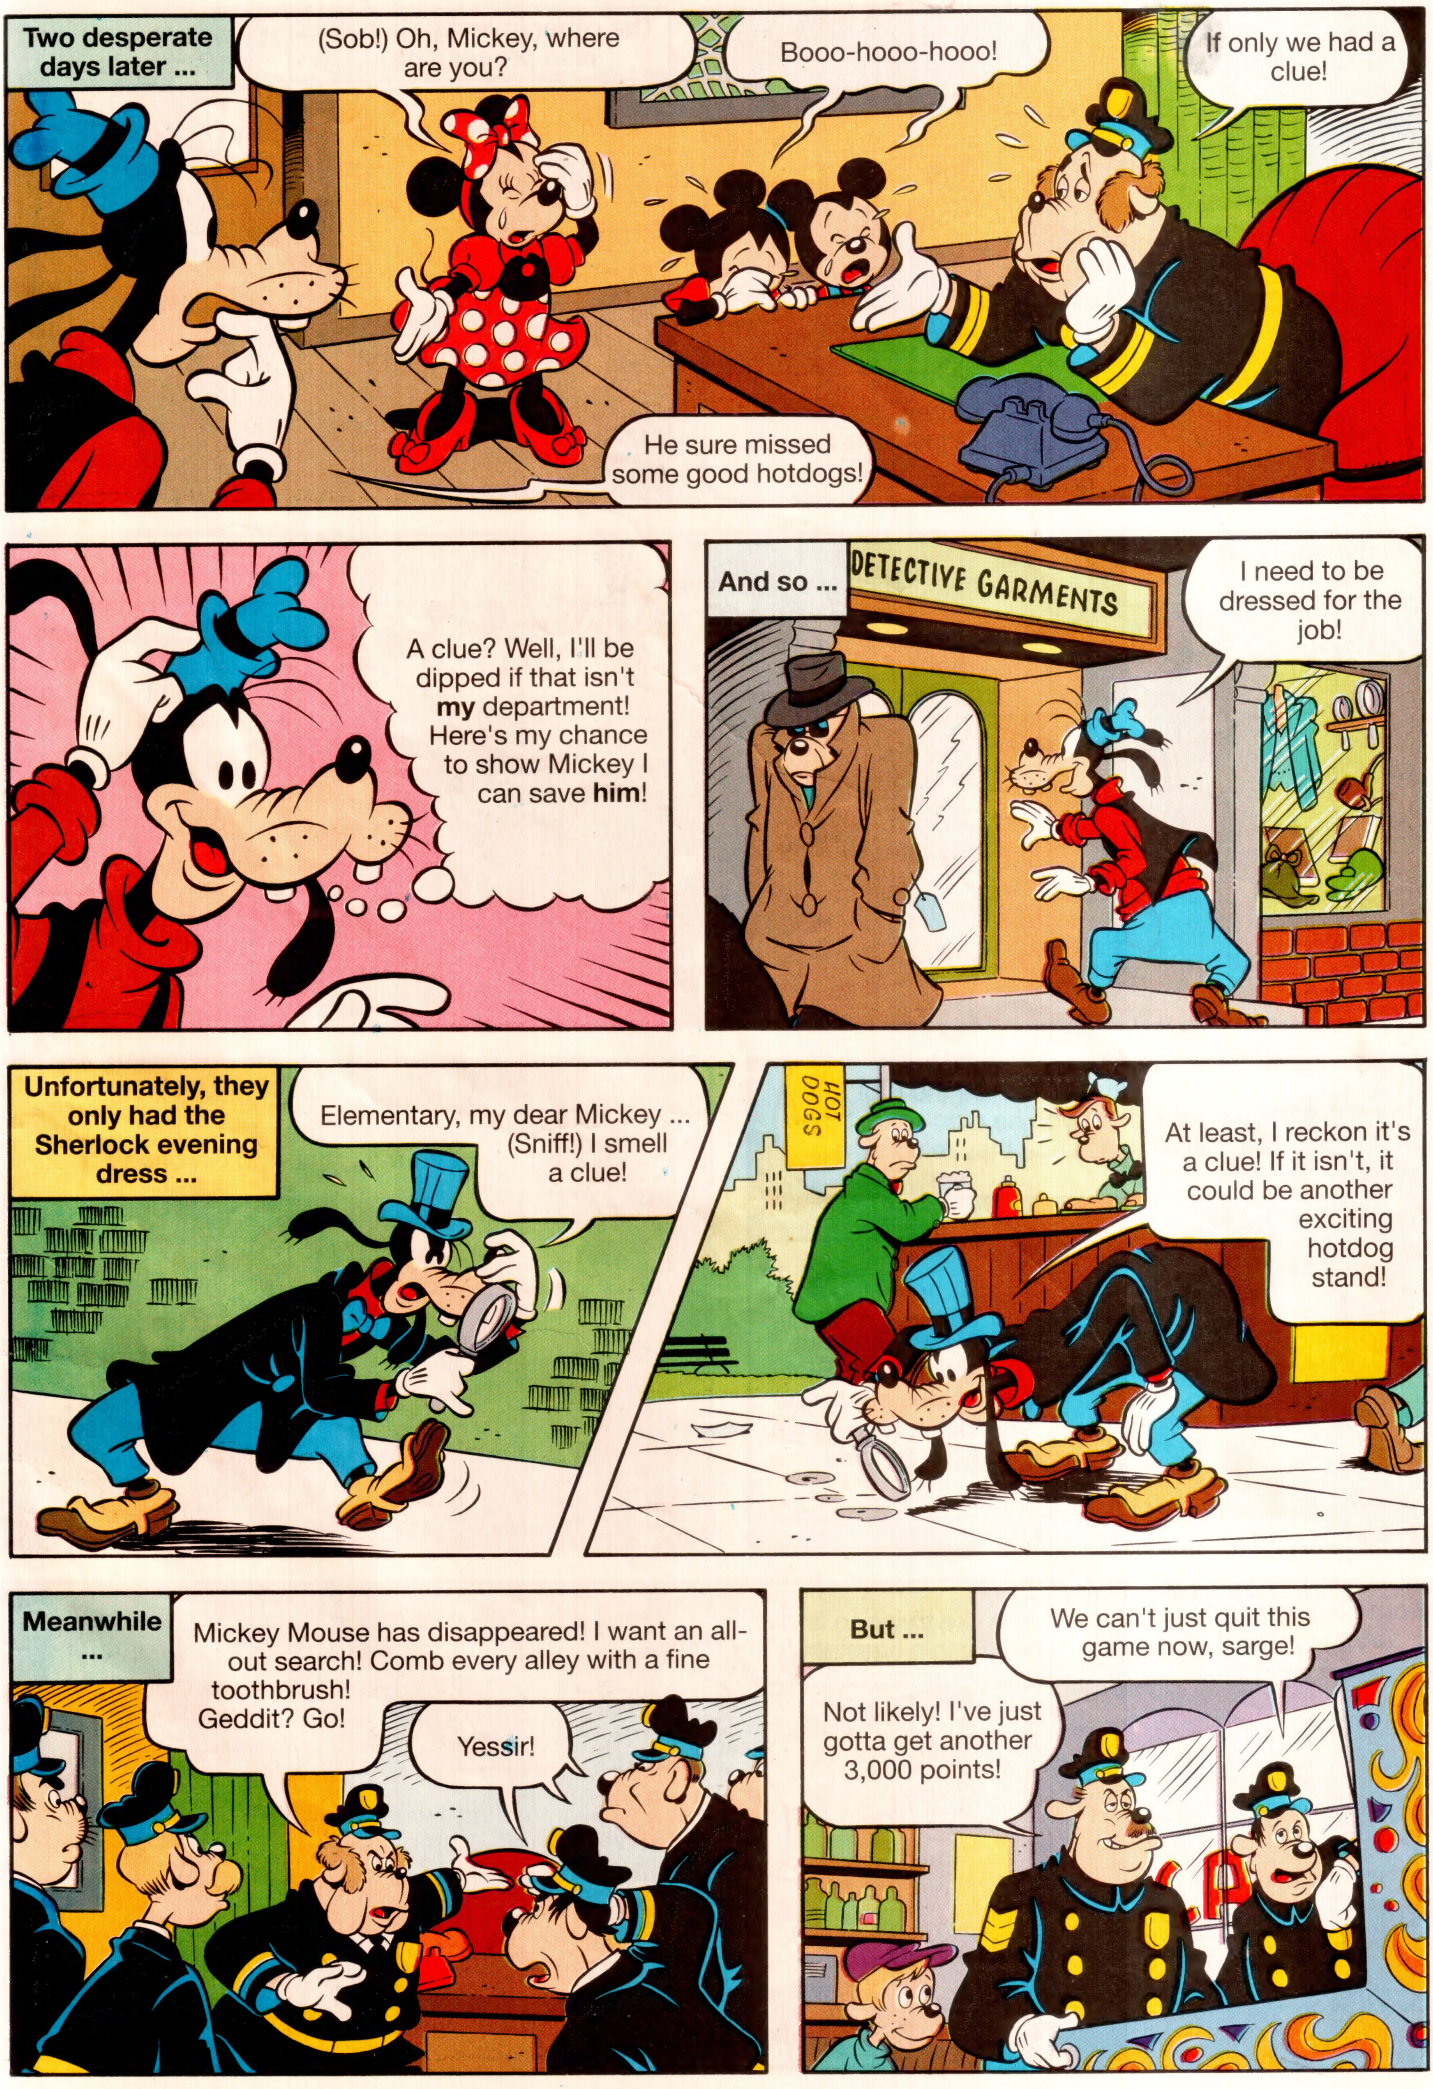


With good reason ...
So, you thought you could play the slippery eel with me, Mouse!
Cut it out, Blot! What's this about?
I want you to bring back my soul-brother, Phantom Bob! Or else!
Don't "or else" me, you villain! Get to the point!
Okay! The point is that I won't use my mousetrap on you if you start writing over there...
... a book called "Phantom Bob Returns"!
NO WAY!
WRITE!
Ouch! NEVER!

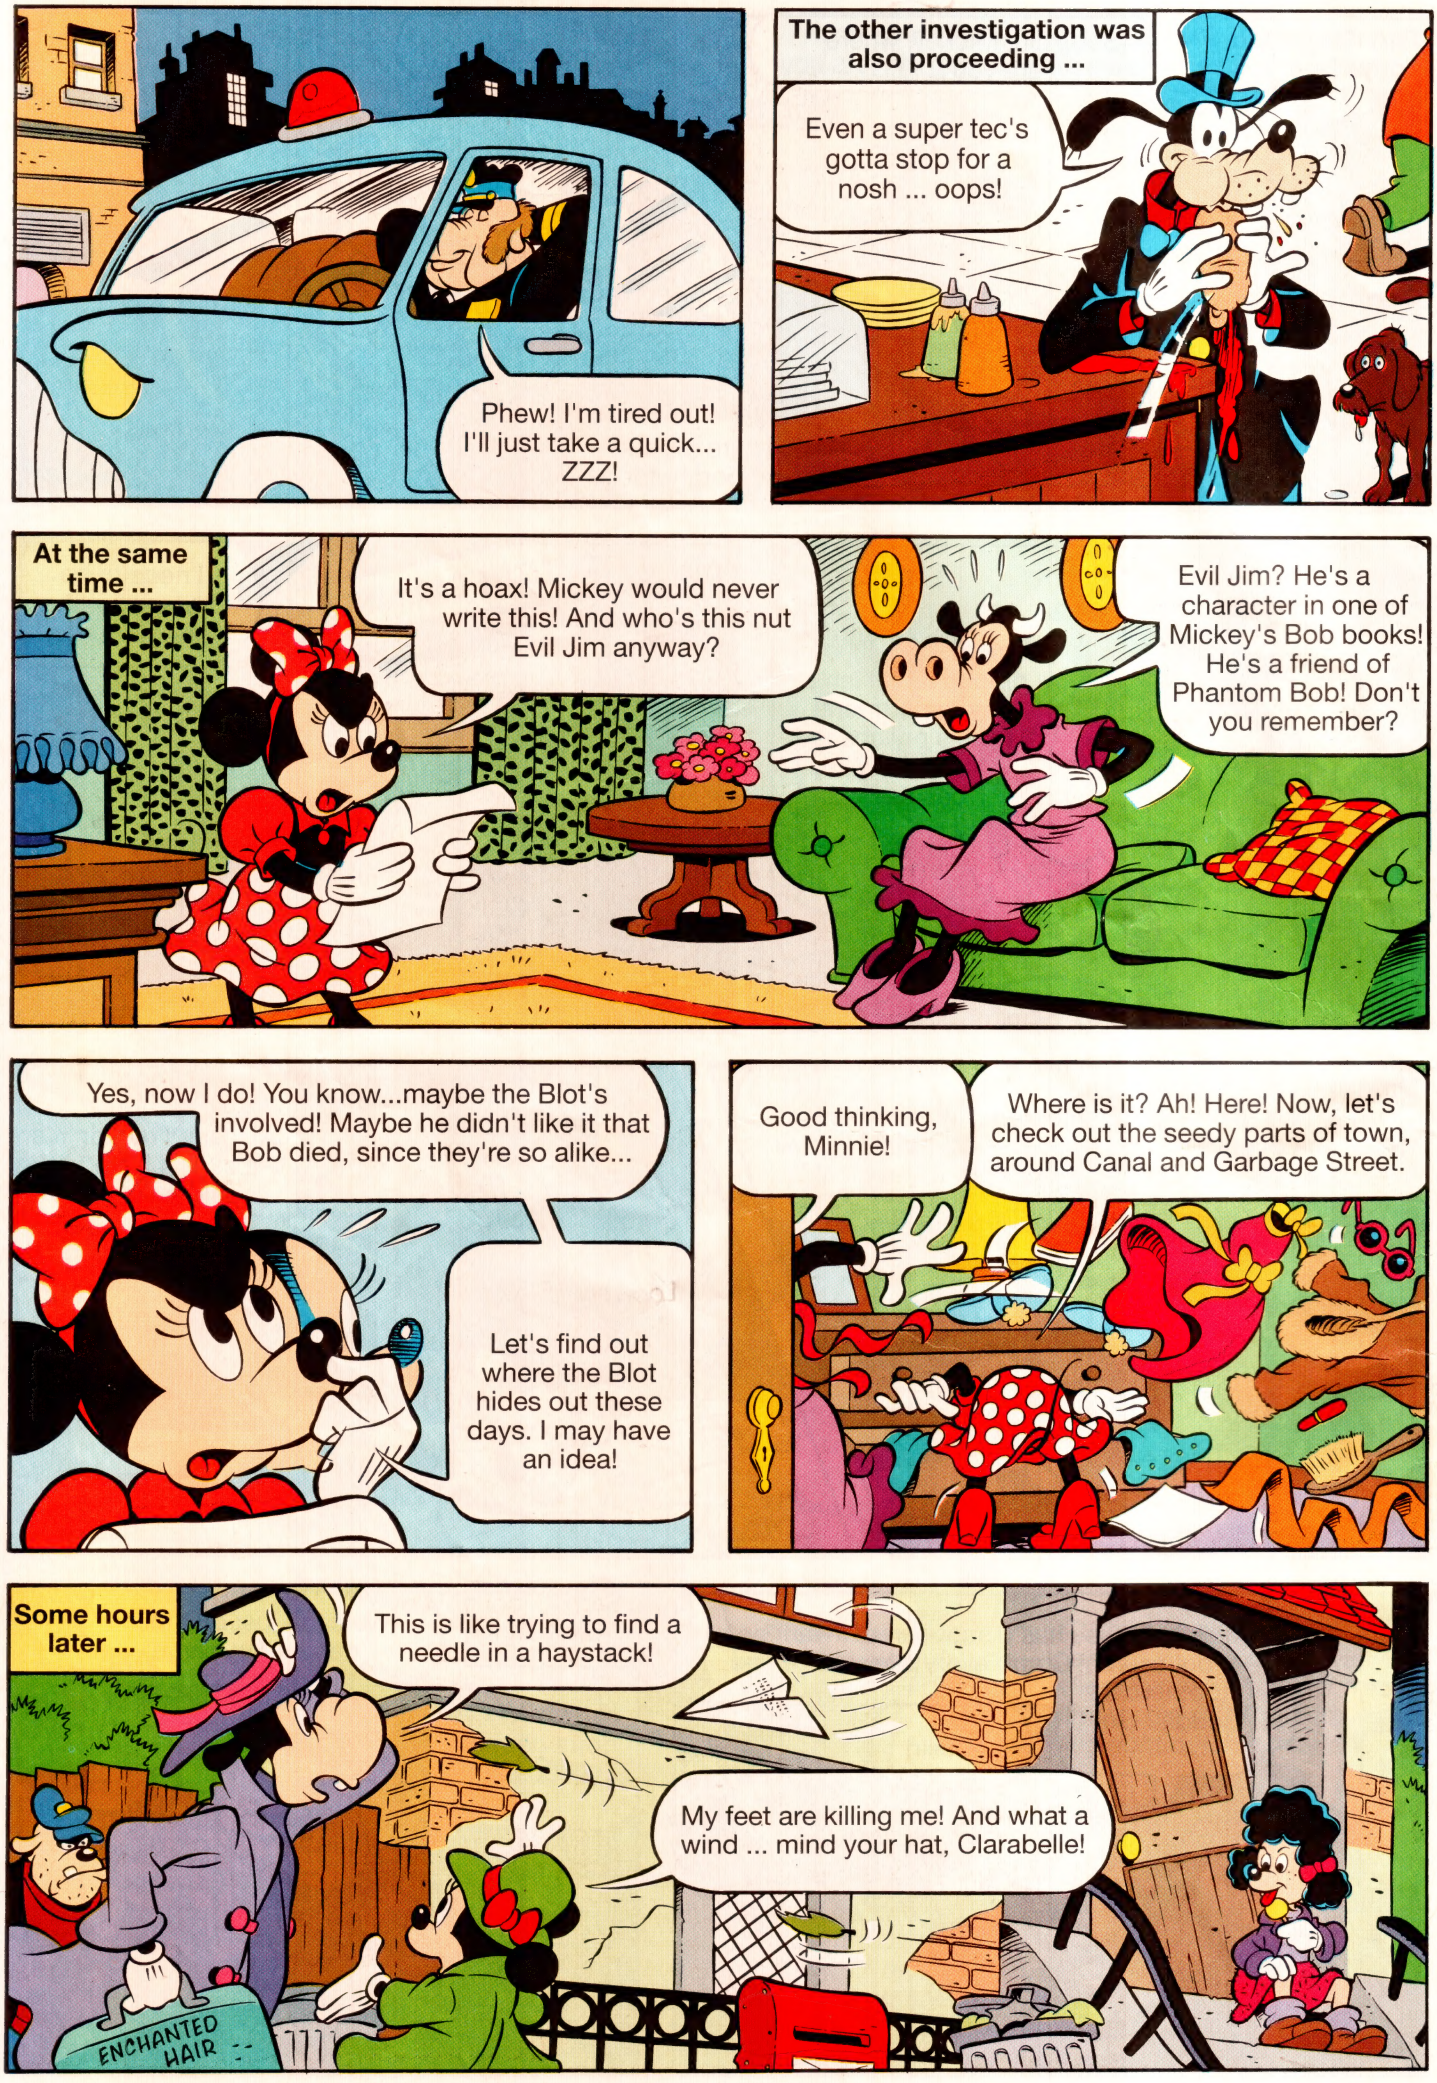
WRITE!
Never, never, never - OUCH!
YANK!
Heh! Heh! The secret is to know the enemy's weak spot! Write, rodent! Write!
(Giggle!) Stop! I'll die first! You (giggle!) rat!
TICKLE!
All right! I've been too nice for too long!
So what's next? Your cheesy mousetrap?
Worse! If you don't agree **now**, I'll send your big-eared girlfriend a letter about a **new** lady-friend! I'm inventive too, see?
NO!
Don't write that letter, **please**! I'll do it! I'll do it!
Good!
And so ...
"Bob heard a voice yelling 'Breathe, Bob, breathe!' Bob gulped - and began to breathe again..."
CLICK! CLICK!
CLICK! CLICK!
I'm gonna write his girlfriend a note anyway. Just to get my own back for all the times he...
CLICK!
CLICK! CLICK!
CLICK!
...sent me to jail! Humiliated me! Exposed me!
CLICK! CLICK!
CLICK! CLICK!
CLICK!



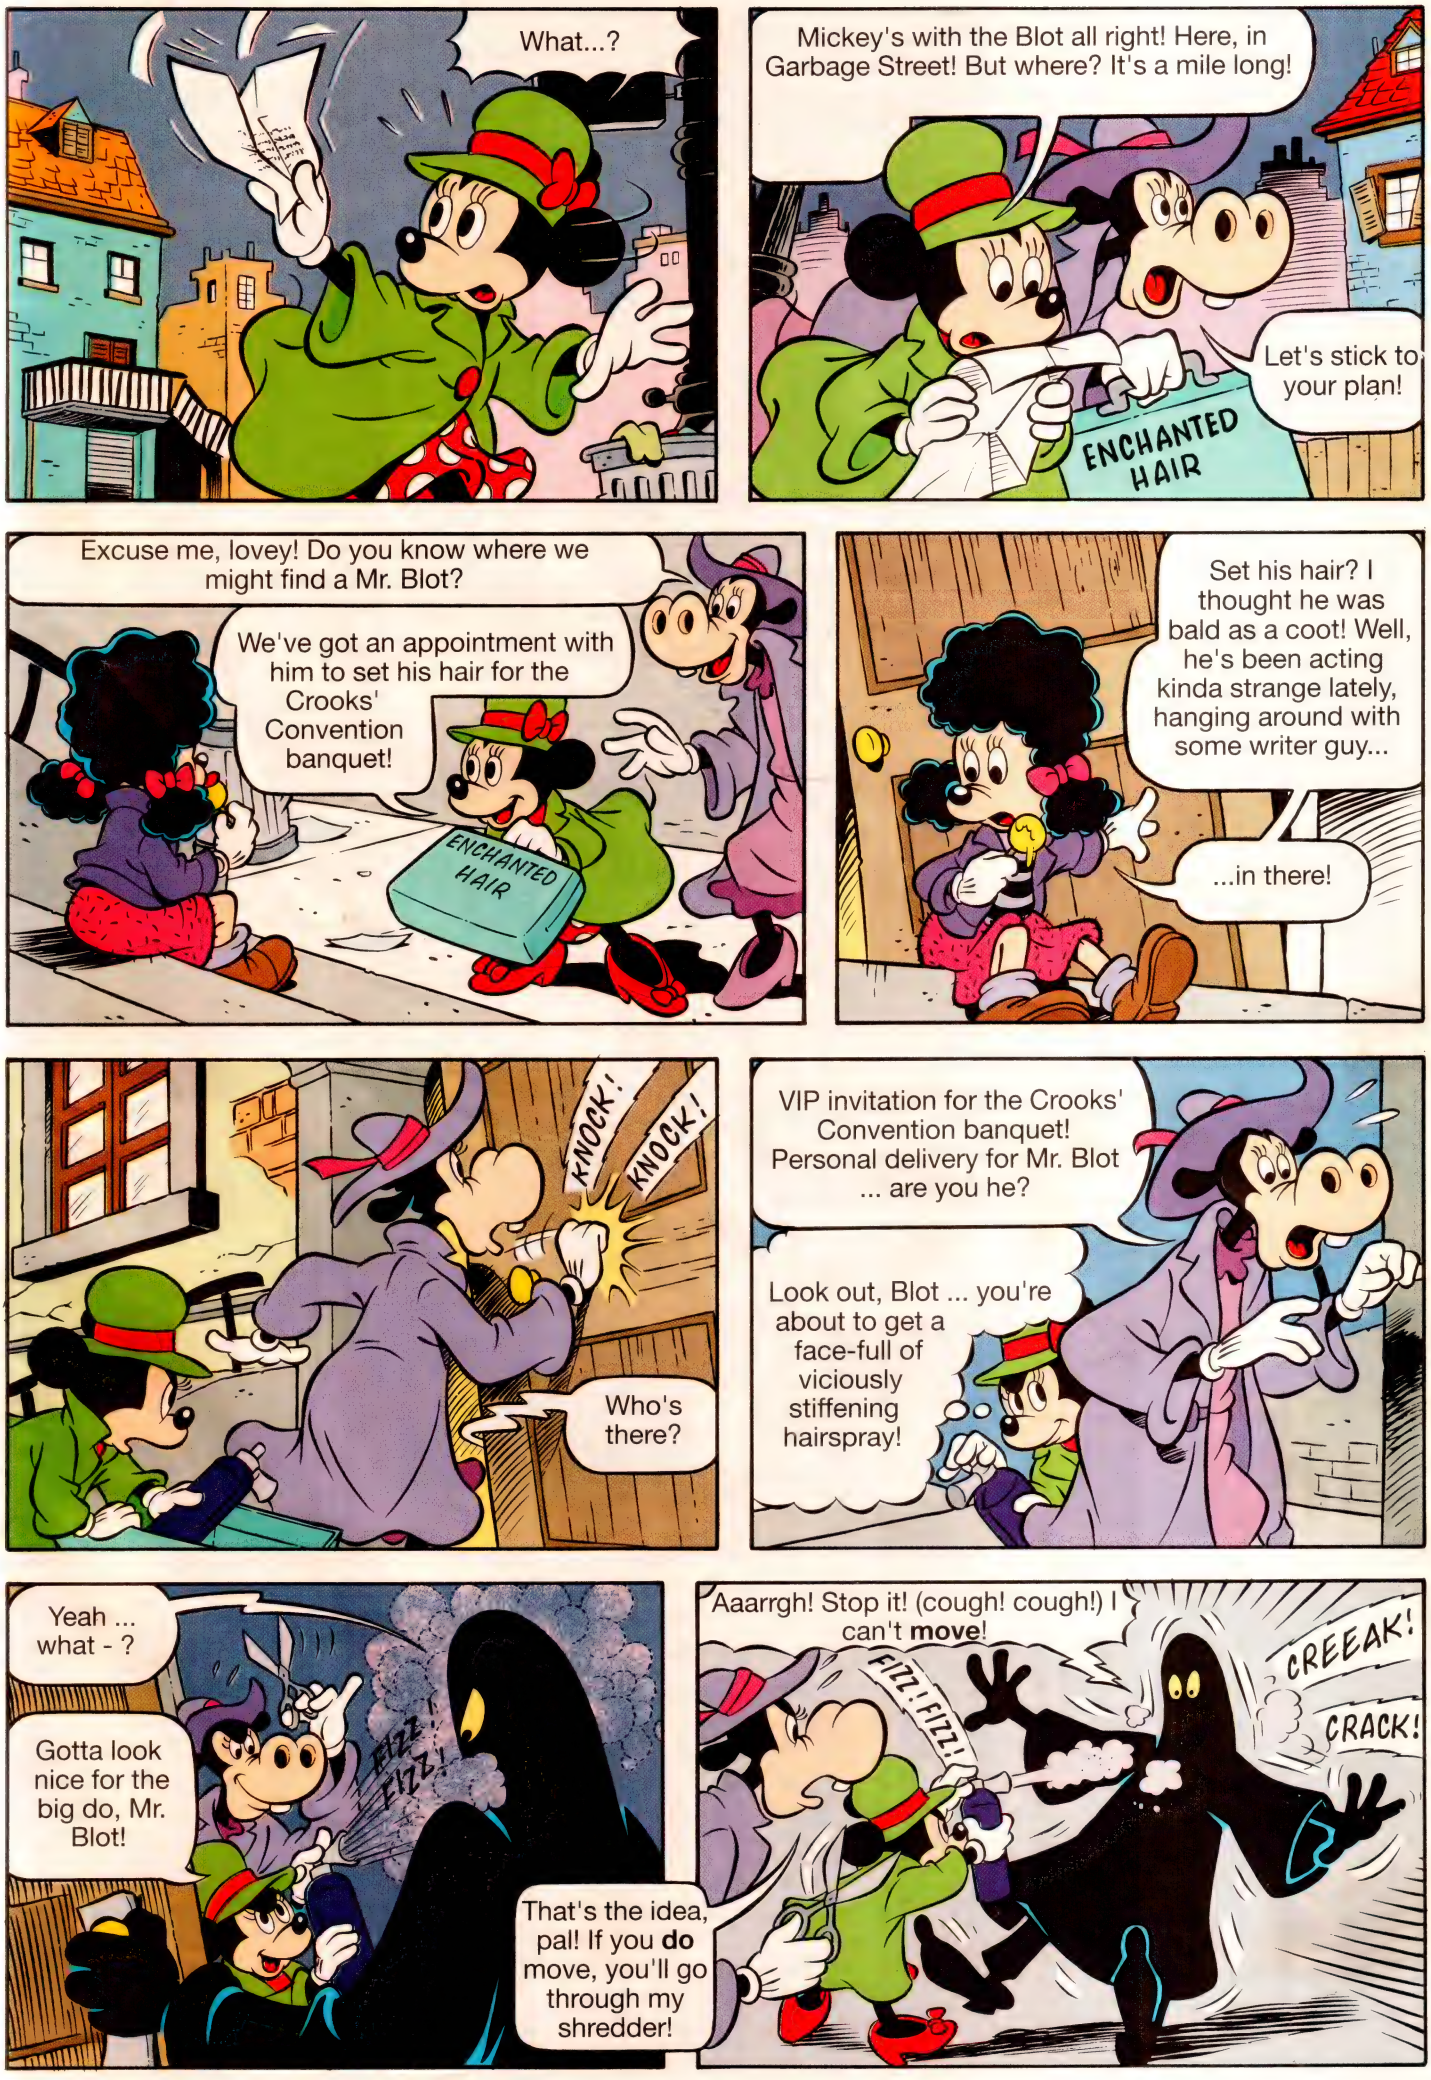
Heh! Heh! What a joke!
Dear Minnie Mouse - Your friend Mickey has asked me to tell you he is not going to see you any more because he has met someone who is a lot nicer. He also told me to say that Goofy always said your ears were too big.
Kind Regards,
Evil Jim.
I'm off on a little errand, and knowing how cunning you are, I'm gonna make sure you stay and **write**!
D'you mind opening the window? The air in here is really bad for my... er... creativity!
That window might just save me...
Help! I'm trapped in an attic in Garbage Street with the Phantom Blot.
Mickey Mouse.
He-he! Wicked! Plain wicked this is! Haven't had such fun in a million years!
I'll make him do 30 pages before bedtime! And he'd better make it a happy ending, or else!
Shortly ...
"When he woke up it was dark. At first he didn't know where he was - how had the room become so small? The detective was standing right outside the door..."
CLICK!
CLICK!
CLICK!



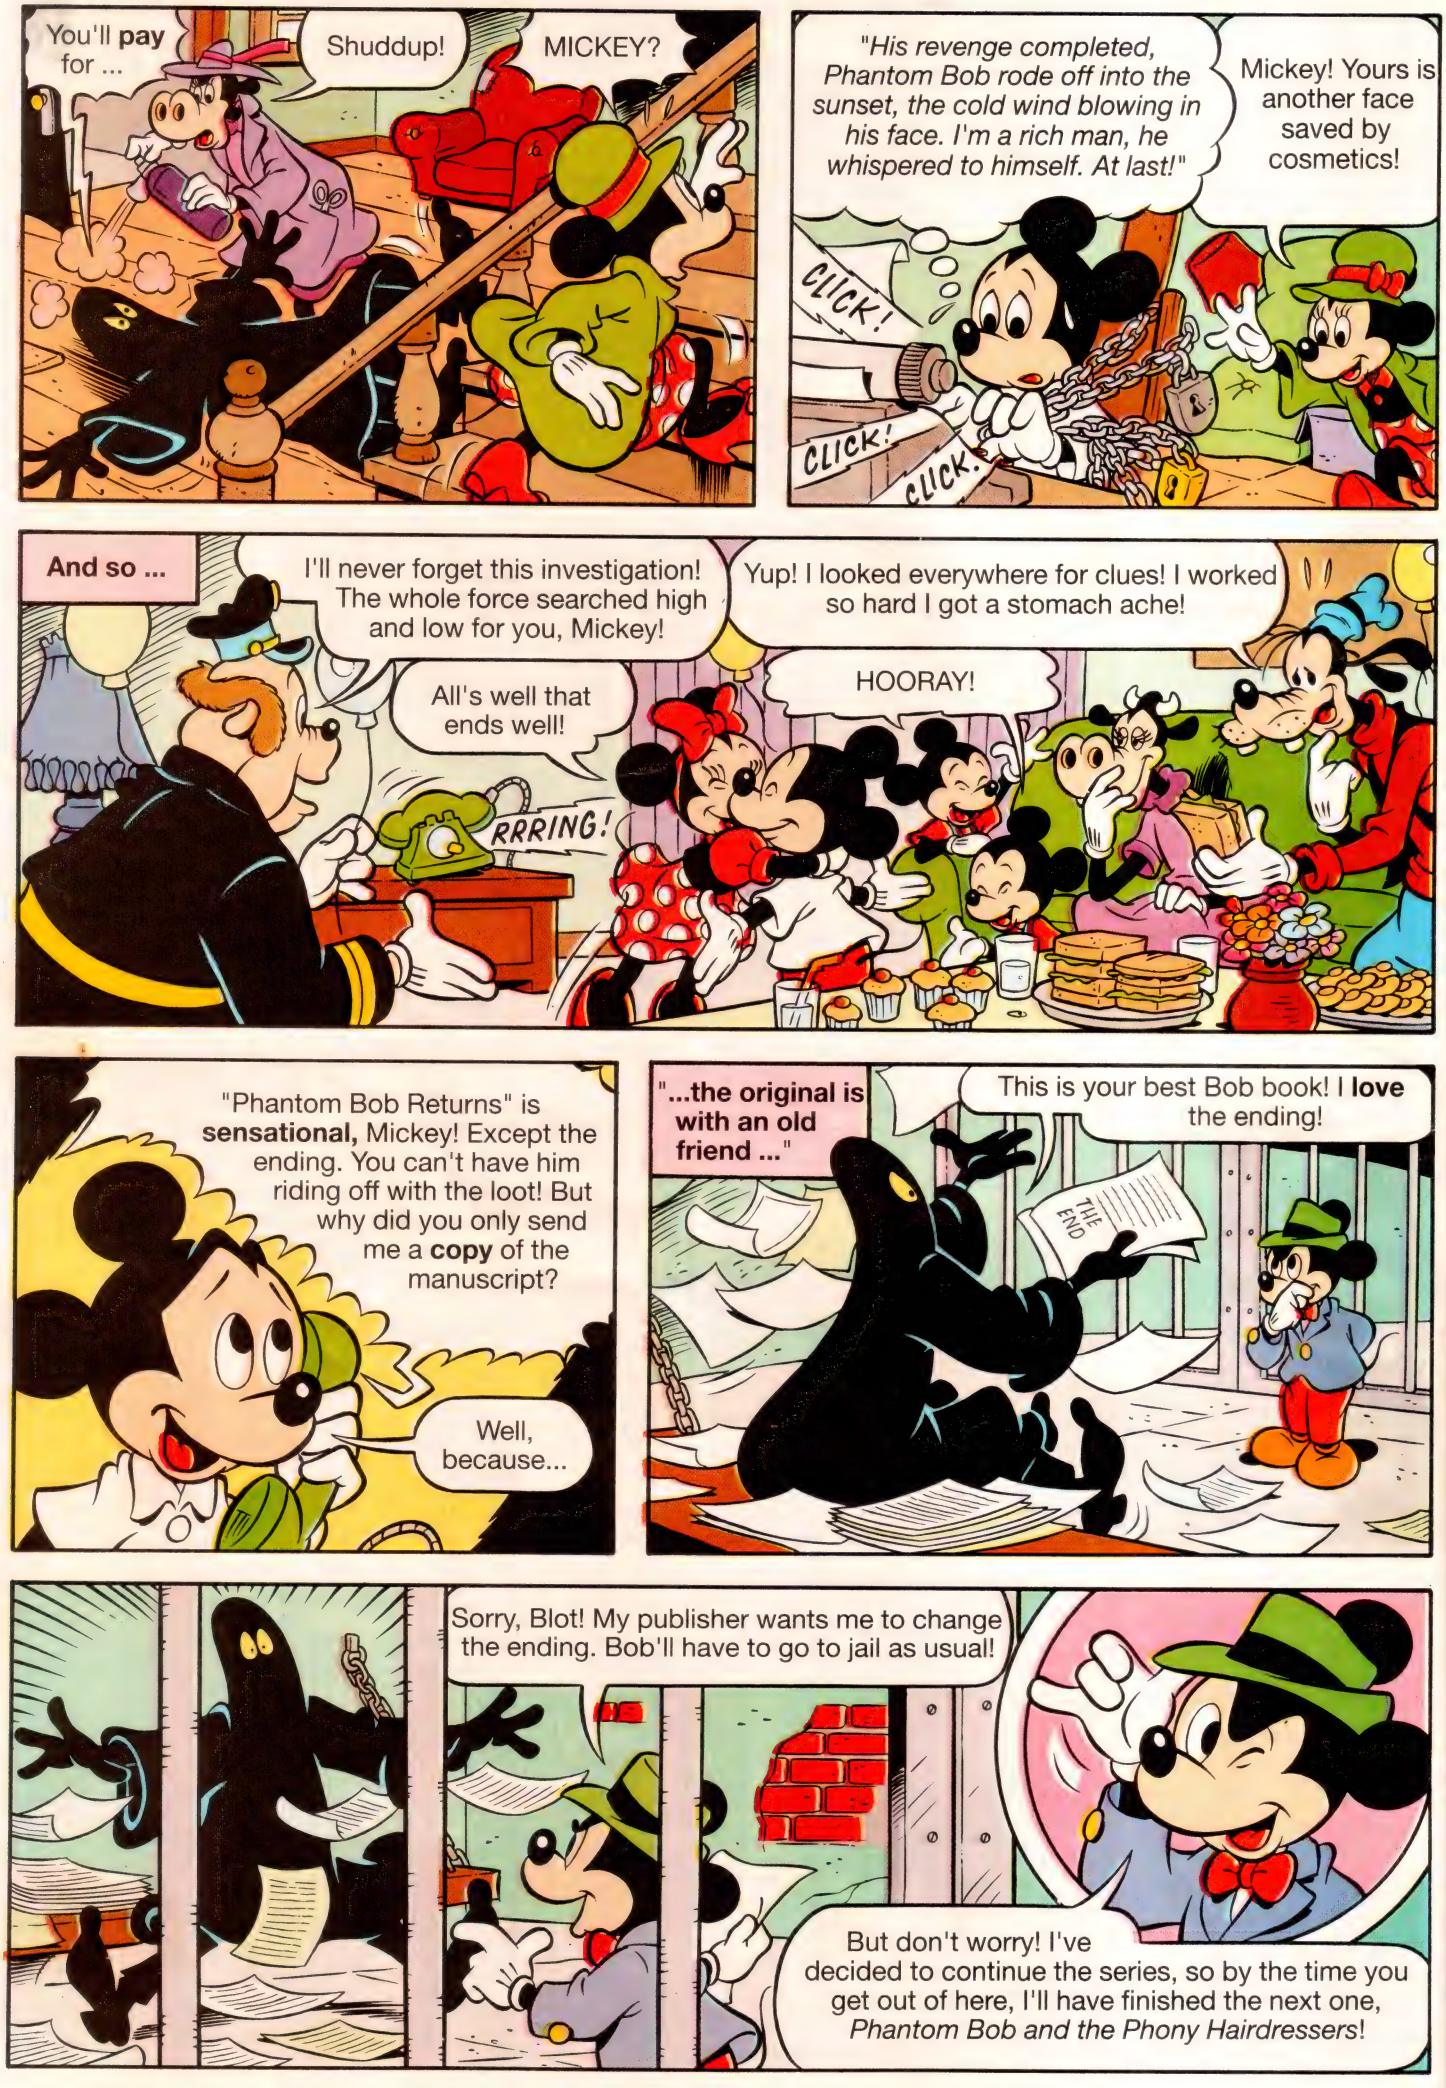
Two desperate days later ...
(Sob!) Oh, Mickey, where are you?
Booo-hooo-hooo!
If only we had a clue!
He sure missed some good hotdogs!
A clue? Well, I'll be dipped if that isn't **my** department! Here's my chance to show Mickey I can save **him**!
And so ...
DETECTIVE GARMENTS
I need to be dressed for the job!
Unfortunately, they only had the Sherlock evening dress ...
Elementary, my dear Mickey ... (Sniff!) I smell a clue!
HOT DOGS
At least, I reckon it's a clue! If it isn't, it could be another exciting hotdog stand!
Meanwhile ...
Mickey Mouse has disappeared! I want an all-out search! Comb every alley with a fine toothbrush! Geddit? Go!
Yessir!
But ...
We can't just quit this game now, sarge!
Not likely! I've just gotta get another 3,000 points!



Phew! I'm tired out! I'll just take a quick... ZZZ!
The other investigation was also proceeding ...
Even a super tec's gotta stop for a nosh ... oops!
At the same time ...
It's a hoax! Mickey would never write this! And who's this nut Evil Jim anyway?
Evil Jim? He's a character in one of Mickey's Bob books! He's a friend of Phantom Bob! Don't you remember?
Yes, now I do! You know...maybe the Blot's involved! Maybe he didn't like it that Bob died, since they're so alike...
Let's find out where the Blot hides out these days. I may have an idea!
Good thinking, Minnie!
Where is it? Ah! Here! Now, let's check out the seedy parts of town, around Canal and Garbage Street.
Some hours later ...
This is like trying to find a needle in a haystack!
My feet are killing me! And what a wind ... mind your hat, Clarabelle!
ENCHANTED HAIR



What...?
Mickey's with the Blot all right! Here, in Garbage Street! But where? It's a mile long!
Let's stick to your plan!
ENCHANTED HAIR
Excuse me, lovey! Do you know where we might find a Mr. Blot?
We've got an appointment with him to set his hair for the Crooks' Convention banquet!
ENCHANTED HAIR
Set his hair? I thought he was bald as a coot! Well, he's been acting kinda strange lately, hanging around with some writer guy...
...in there!
KNOCK!
KNOCK!
Who's there?
VIP invitation for the Crooks' Convention banquet! Personal delivery for Mr. Blot ... are you he?
Look out, Blot ... you're about to get a face-full of viciously stiffening hairspray!
Yeah ... what - ?
Gotta look nice for the big do, Mr. Blot!
FIZZ! FIZZ!
That's the idea, pal! If you **do** move, you'll go through my shredder!
Aaarrgh! Stop it! (cough! cough!) I can't **move**!
FIZZ! FIZZ!
CREEAK!
CRACK!



You'll **pay** for ...
Shuddup!
MICKEY?
"*His revenge completed, Phantom Bob rode off into the sunset, the cold wind blowing in his face. I'm a rich man, he whispered to himself. At last!*"
Mickey! Yours is another face saved by cosmetics!
CLICK!
CLICK!
CLICK!
And so ...
I'll never forget this investigation! The whole force searched high and low for you, Mickey!
Yup! I looked everywhere for clues! I worked so hard I got a stomach ache!
All's well that ends well!
HOORAY!
RRRING!
"Phantom Bob Returns" is **sensational,** Mickey! Except the ending. You can't have him riding off with the loot! But why did you only send me a **copy** of the manuscript?
Well, because...
"**...the original is with an old friend ...**"
This is your best Bob book! I **love** the ending!
THE END
Sorry, Blot! My publisher wants me to change the ending. Bob'll have to go to jail as usual!
But don't worry! I've decided to continue the series, so by the time you get out of here, I'll have finished the next one, *Phantom Bob and the Phony Hairdressers*!

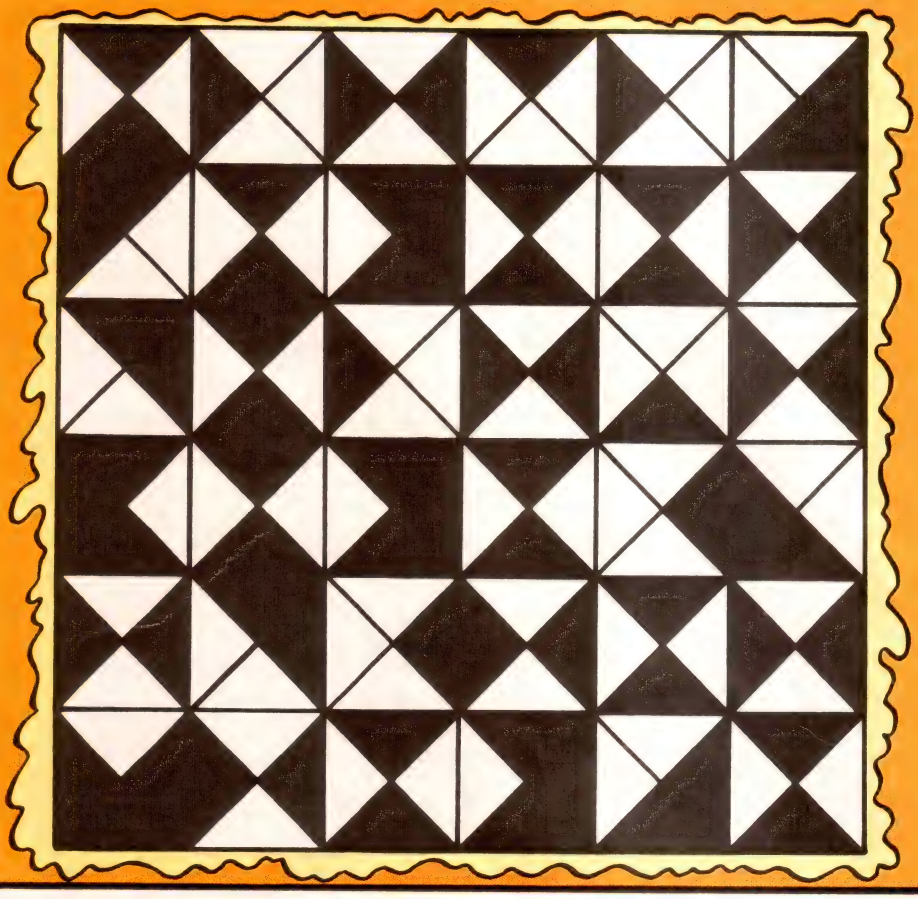
MICKEY'S PUZZLES

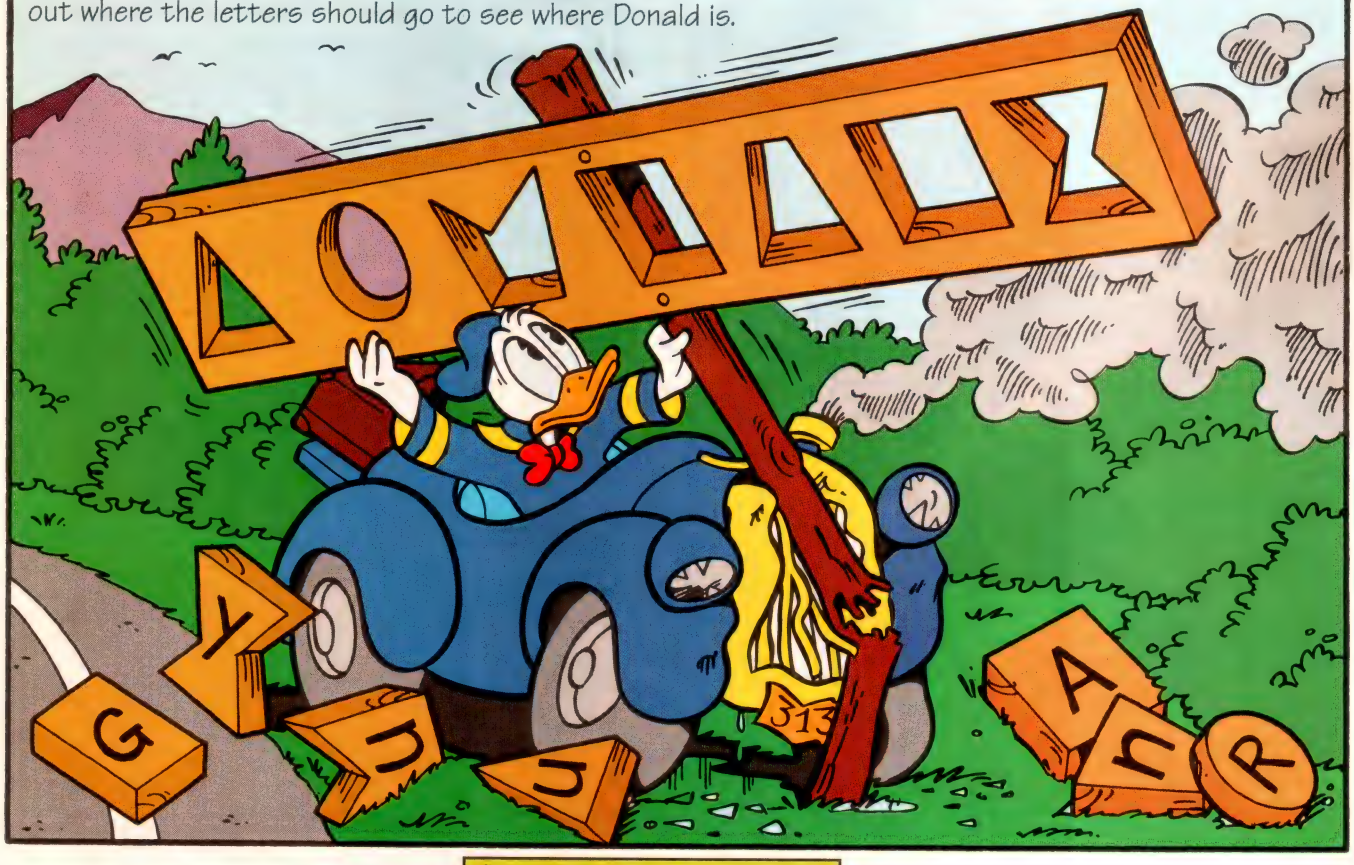
DIY GOOFY

Goofy's having a go at DIY and has just finished doing these triangle tiles in his own wacky pattern. Has Goofy used equal numbers of black and white tiles? If not, which has he used most of?



CRASH COURSE!

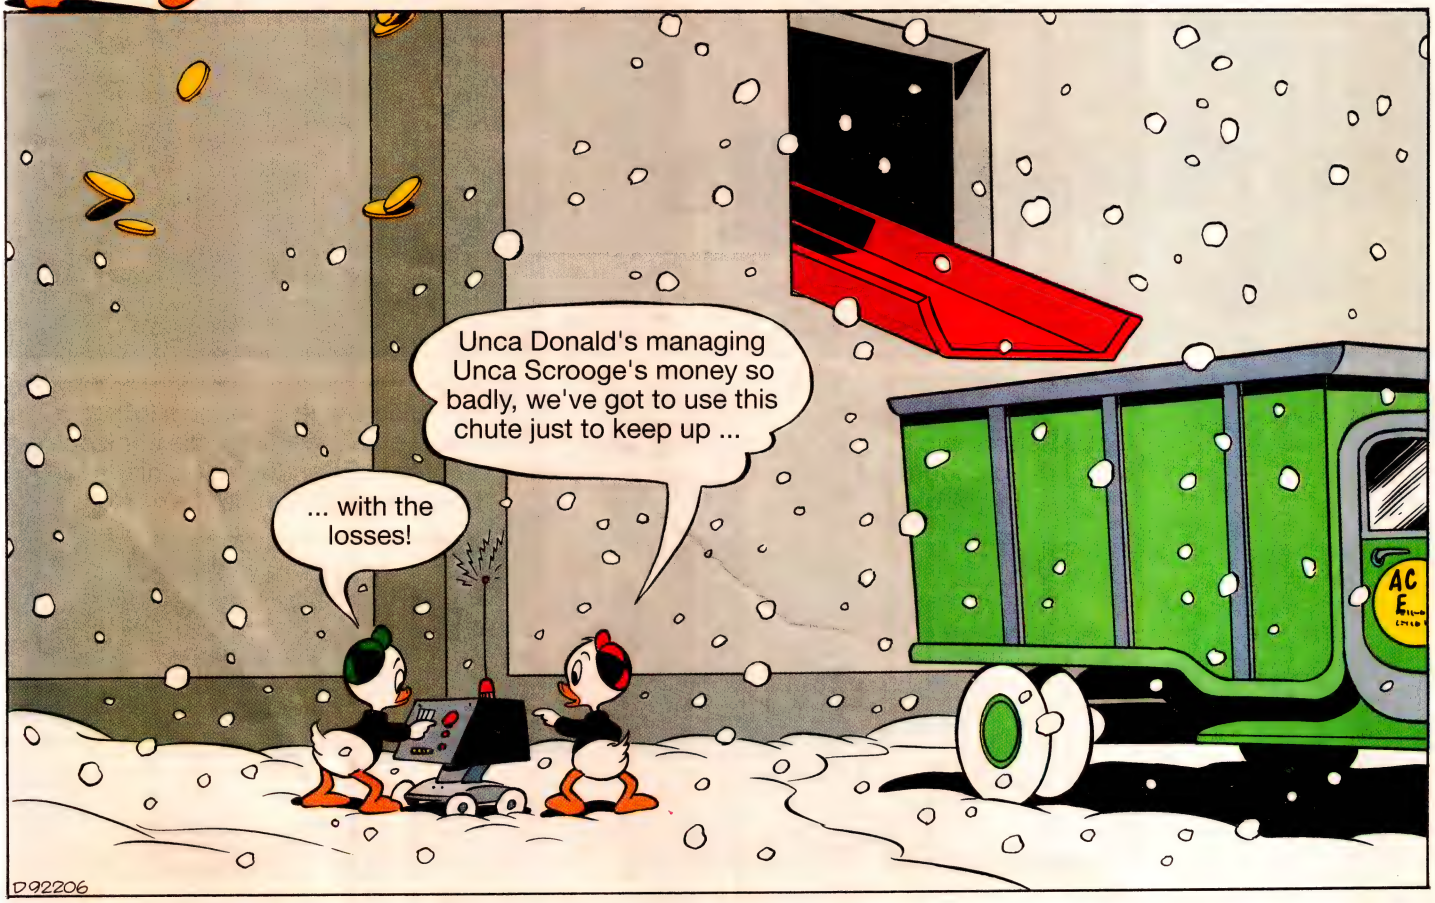
Donald's lost, but he's just crashed into the sign that would have told him where he was going! Work out where the letters should go to see where Donald is.

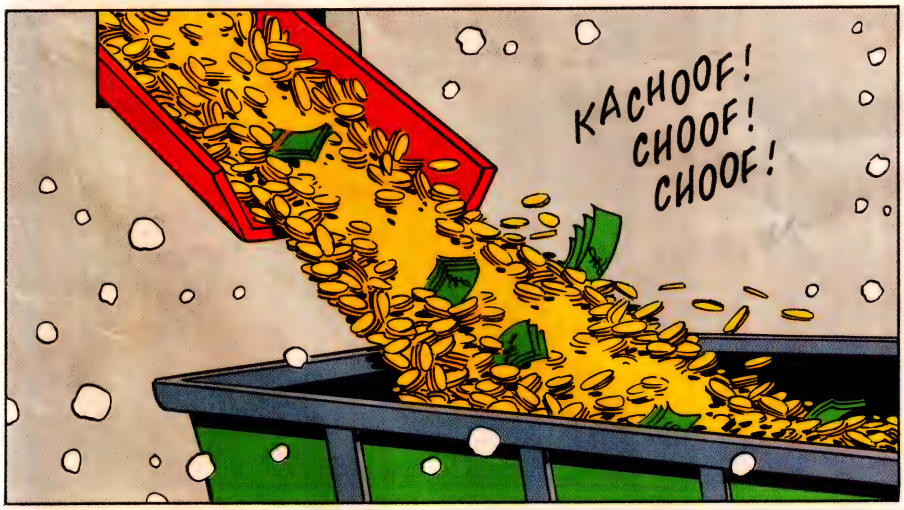


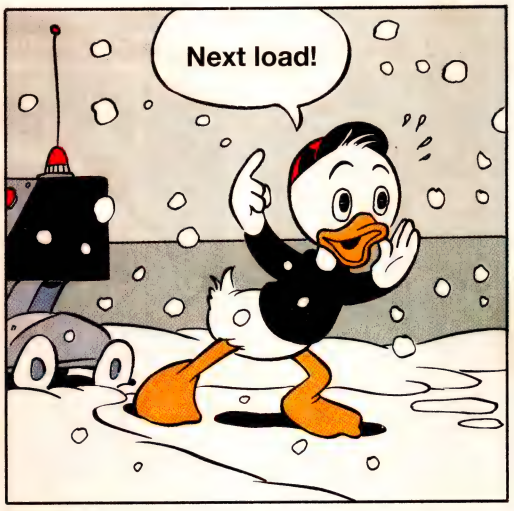
The answers are on page 31.

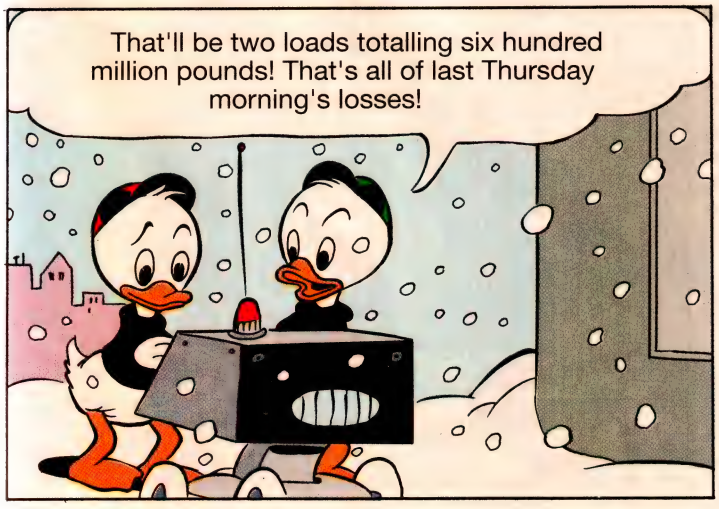
UNCLE SCROOGE

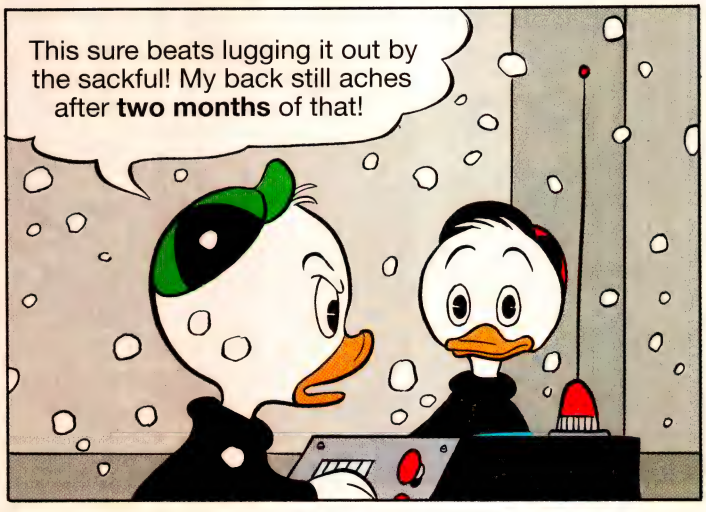
The Pauper's Glass (Part 1)





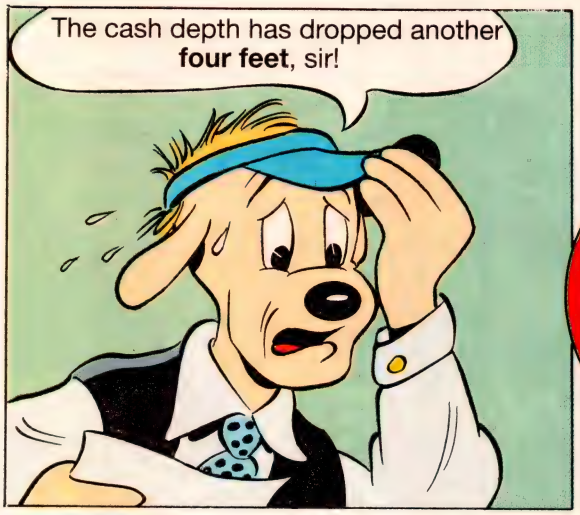






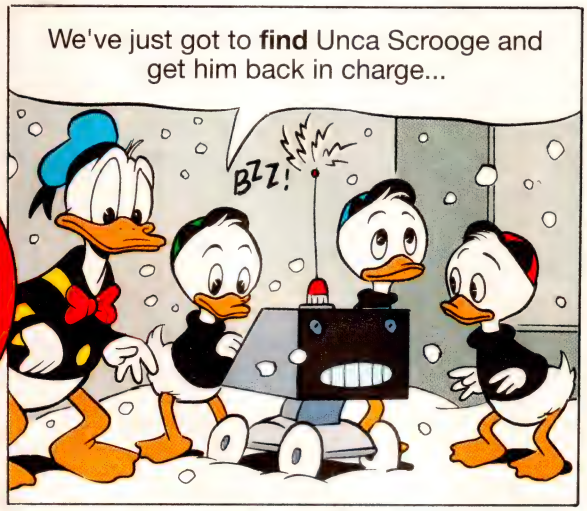
Poor Unca Donald! He's doing his best!
Which means Unca Scrooge will be broke in another **six months**!
BZZZ
KACHOOF!
Meanwhile, back inside ...
Four copper mines in Chile - **gone**! A mouse-trap consortium in Istanbul - **snapped up**! Twenty three bubble gum factories worldwide - **gobbled** and gone!
I'm losing Uncle Scrooge's lolly at a thousand quid a minute while someone out there is snapping up his businesses all around the world!
Yep! Some mysterious hot-shot money man is really cashing in on Unca Scrooge's disappearance!
Pardon me, sir, but we've just suffered another huge cash loss! **624 billion** more or less!
Yikes! What'd we lose this time?
The wastepaper plants in Wyoming, sir!
Wow! That's a **load** of rubbish!

Why did this have to happen to **me**? I'm no business manager! I can't even manage my own money!
Something awful must have happened to Uncle Scrooge!
He'd never just wander off and leave his empire in **our** hands!
He's not that crazy!
"Maybe the Beagle Boys are holding him prisoner in a cave in Albania!"
"Perhaps he was carried off by a squadron of crazy moths!"
"Could be that Magica captured him and turned him into an electric potato masher!"
Nya haaa!
NOOF! NOOF!
Never mind your silly guesses! Get out to the chute! We've got money to lose!
CLONK!
Pardon me, sir, but here's the **hourly** update on the cash level in the money bin!
So hit me with the good news.

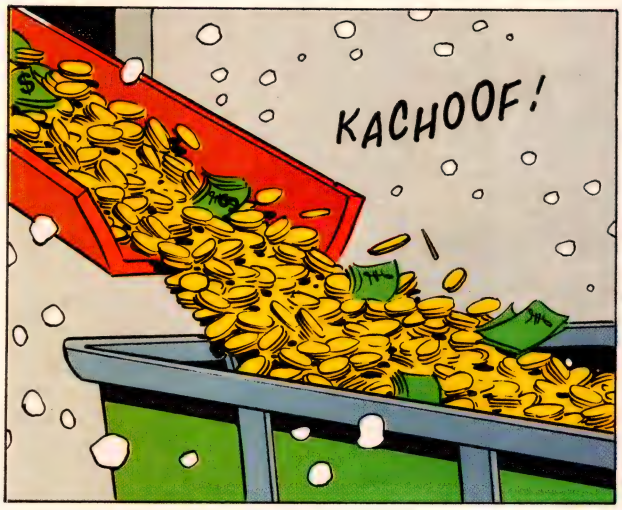


The cash depth has dropped another **four feet**, sir!

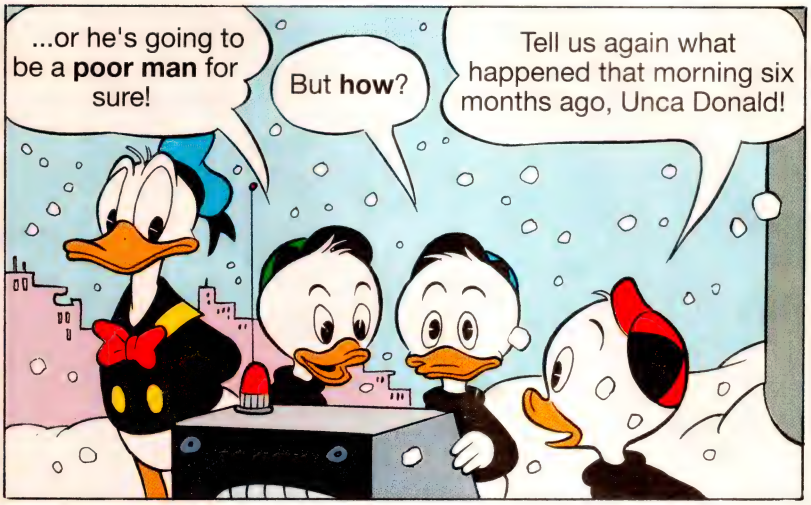
And so ...



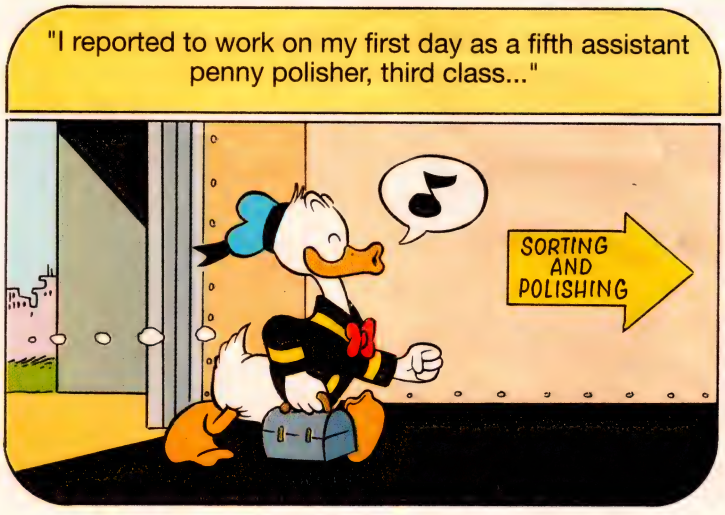
We've just got to **find** Unca Scrooge and get him back in charge...
BZZ!



KACHOOF!



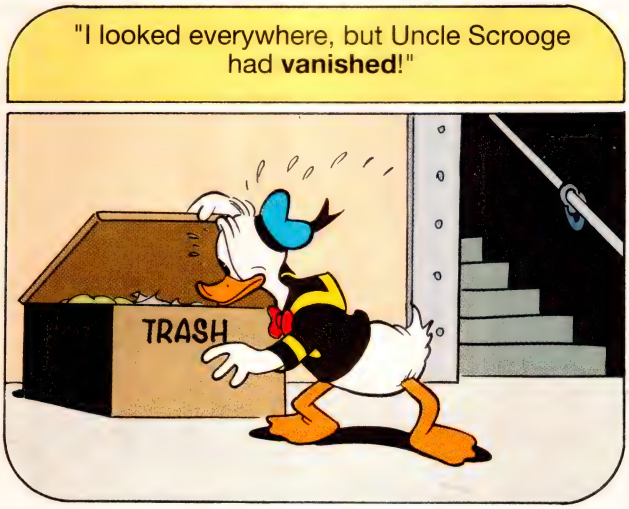
...or he's going to be a **poor man** for sure!
But **how**?
Tell us again what happened that morning six months ago, Unca Donald!



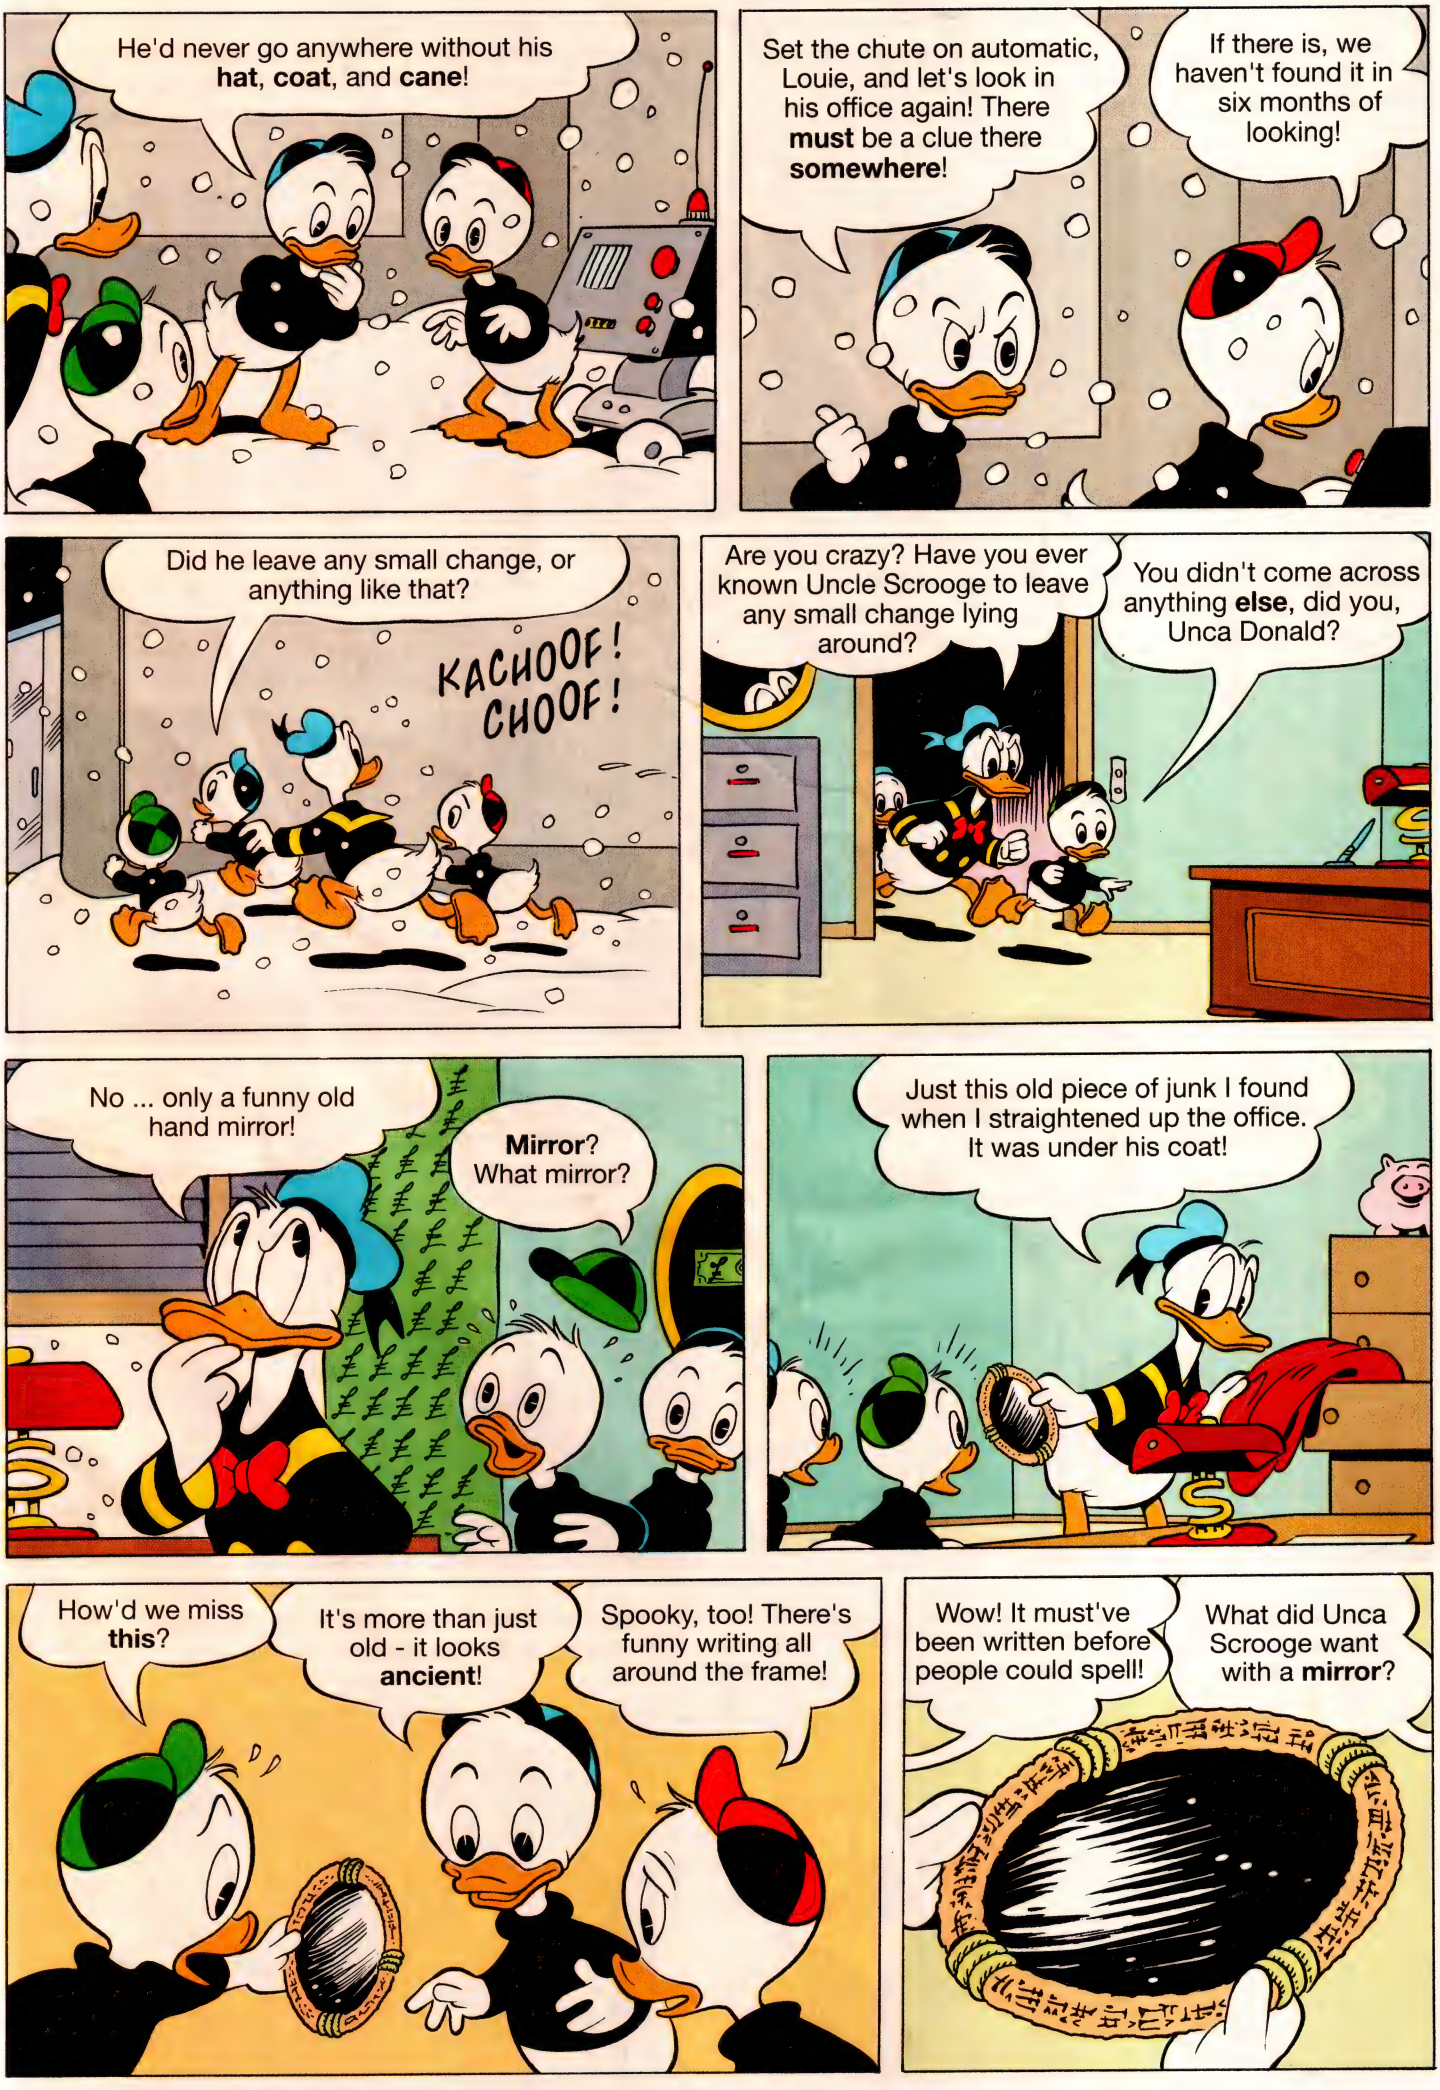
"I reported to work on my first day as a fifth assistant penny polisher, third class..."
SORTING AND POLISHING

"Uncle Scrooge wasn't in his office. I thought he'd just popped out for a minute..."

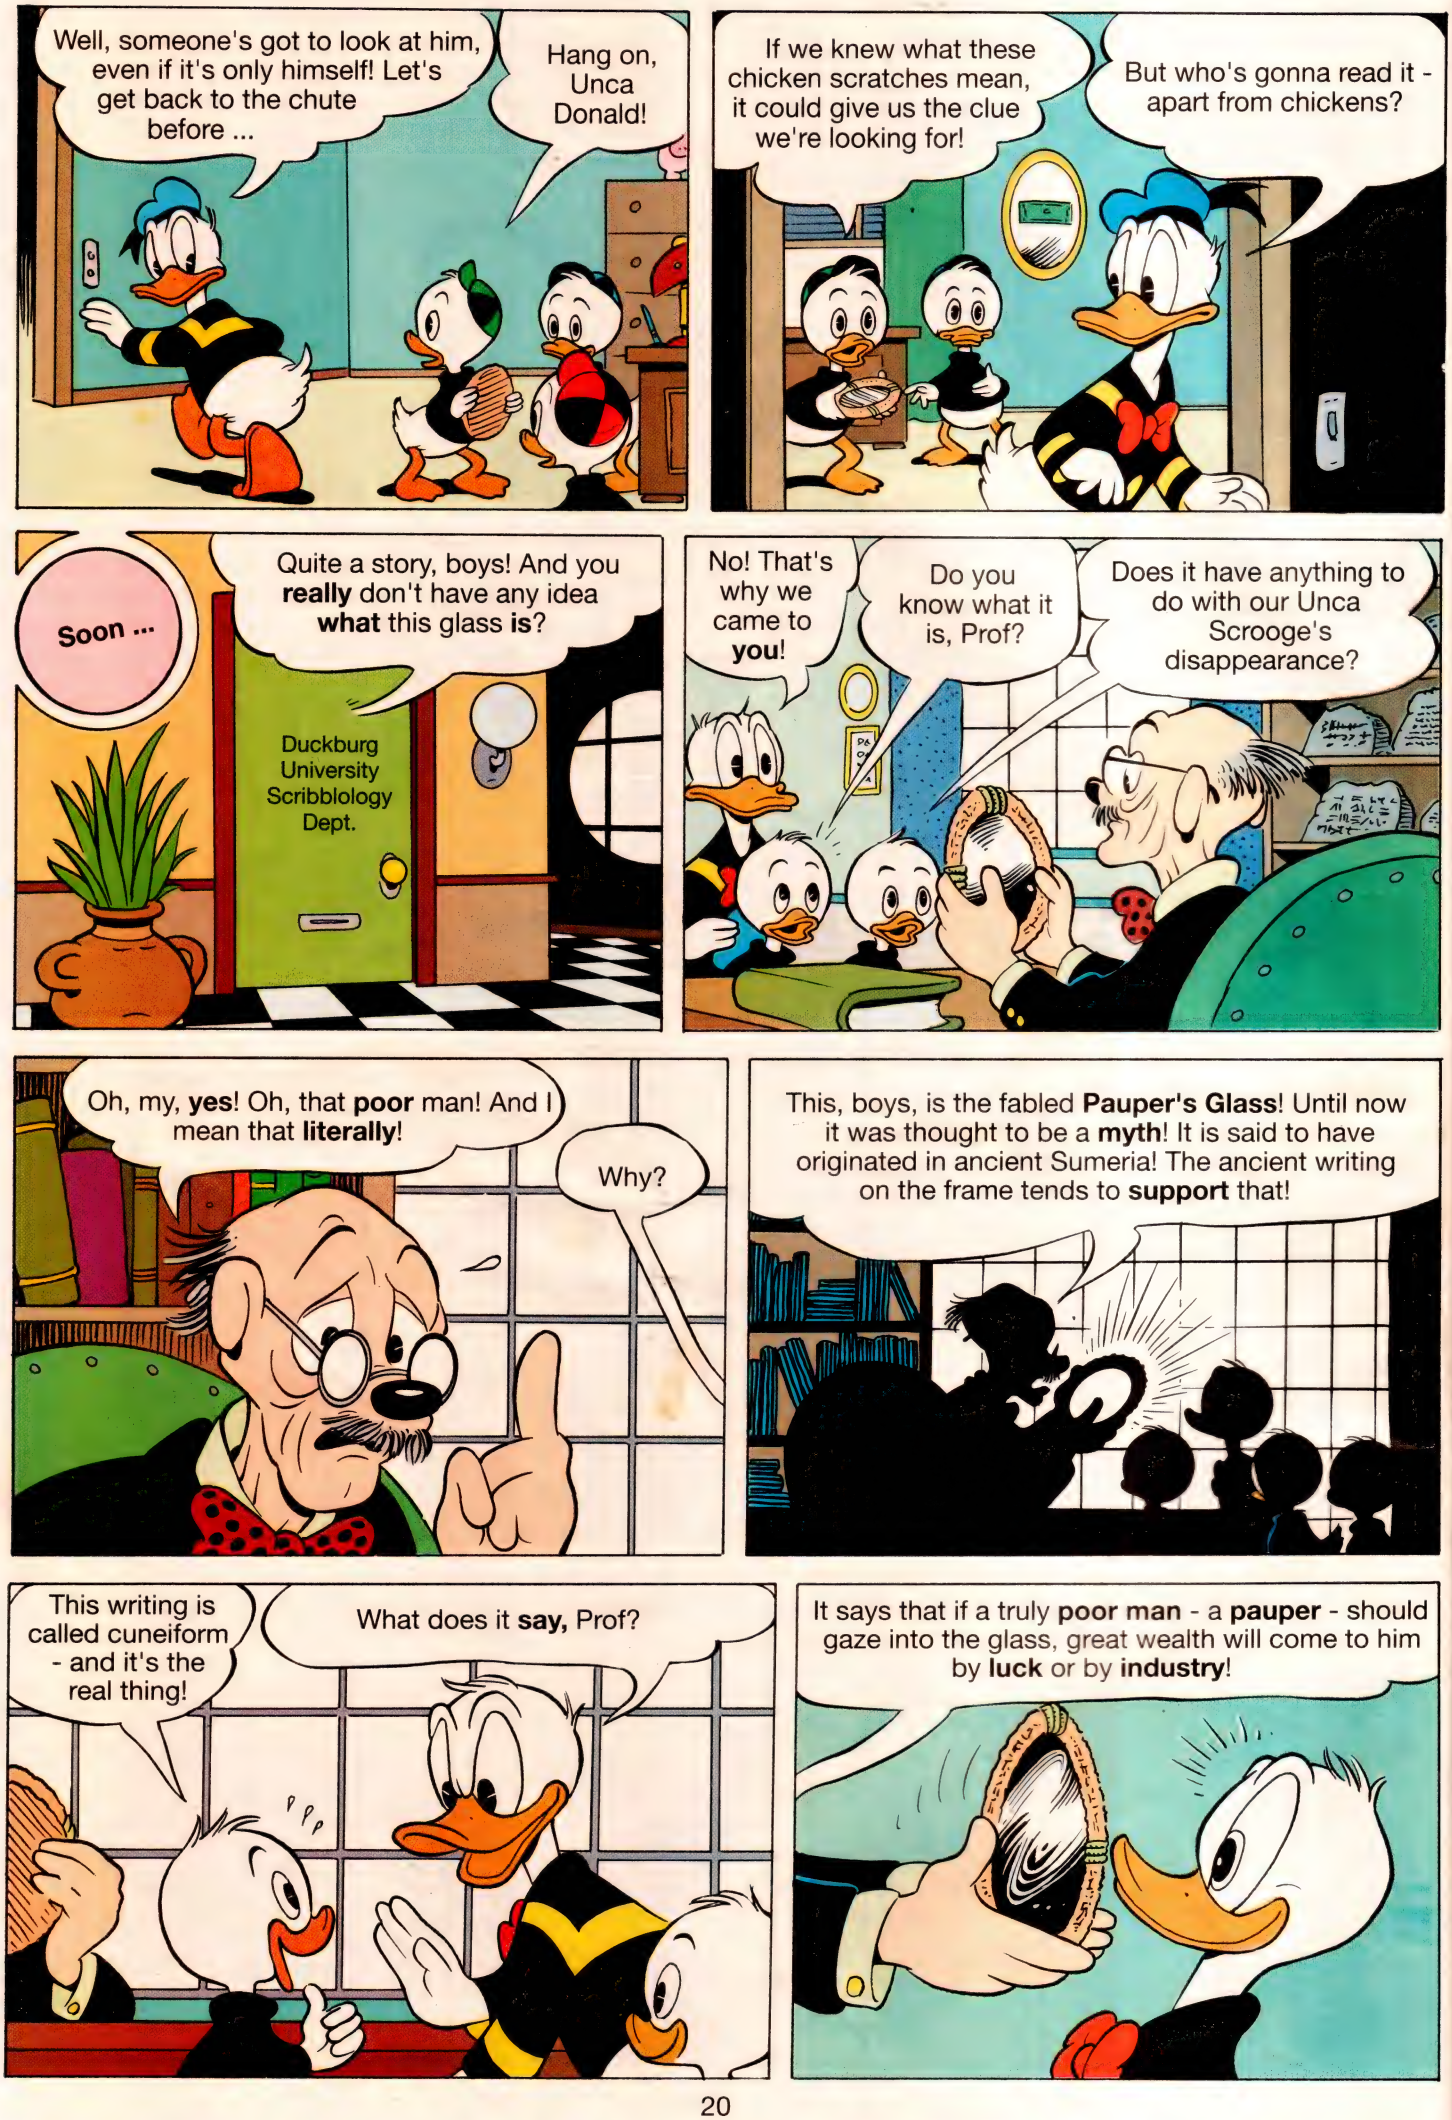
"Then I noticed his hat, cane, and coat had been tossed on the floor next to his desk..."



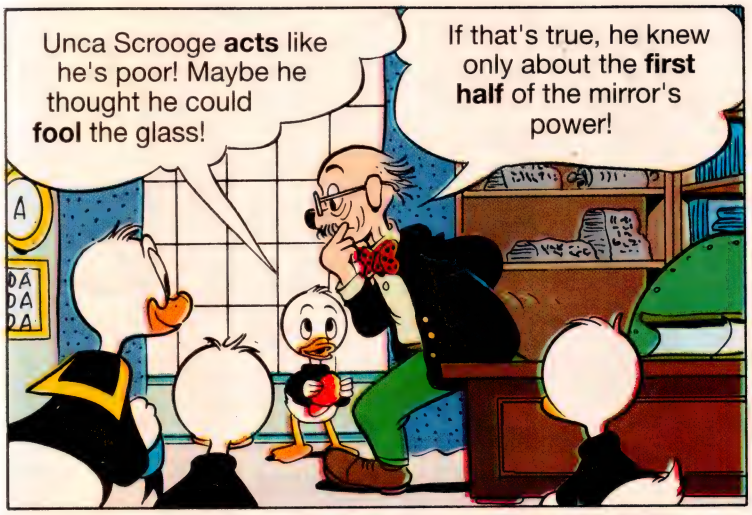
"I looked everywhere, but Uncle Scrooge had **vanished**!"
TRASH



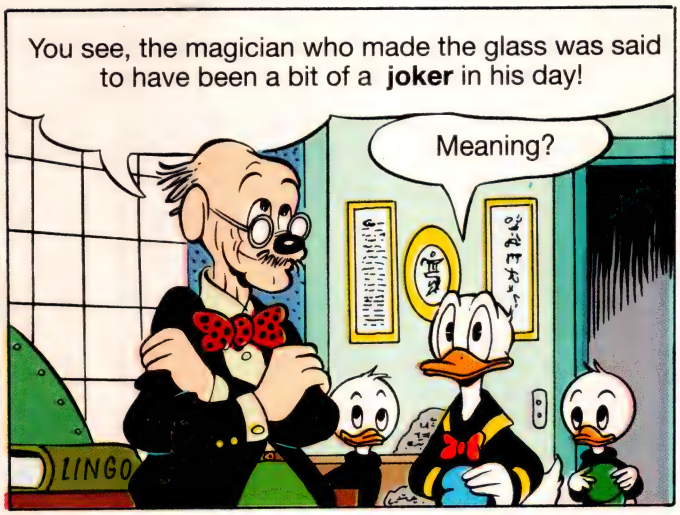
He'd never go anywhere without his **hat**, **coat**, and **cane**!
Set the chute on automatic, Louie, and let's look in his office again! There **must** be a clue there **somewhere**!
If there is, we haven't found it in six months of looking!
Did he leave any small change, or anything like that?
KACHOOF! CHOOF!
Are you crazy? Have you ever known Uncle Scrooge to leave any small change lying around?
You didn't come across anything **else**, did you, Unca Donald?
No ... only a funny old hand mirror!
Mirror? What mirror?
Just this old piece of junk I found when I straightened up the office. It was under his coat!
How'd we miss **this**?
It's more than just old - it looks **ancient**!
Spooky, too! There's funny writing all around the frame!
Wow! It must've been written before people could spell!
What did Unca Scrooge want with a **mirror**?

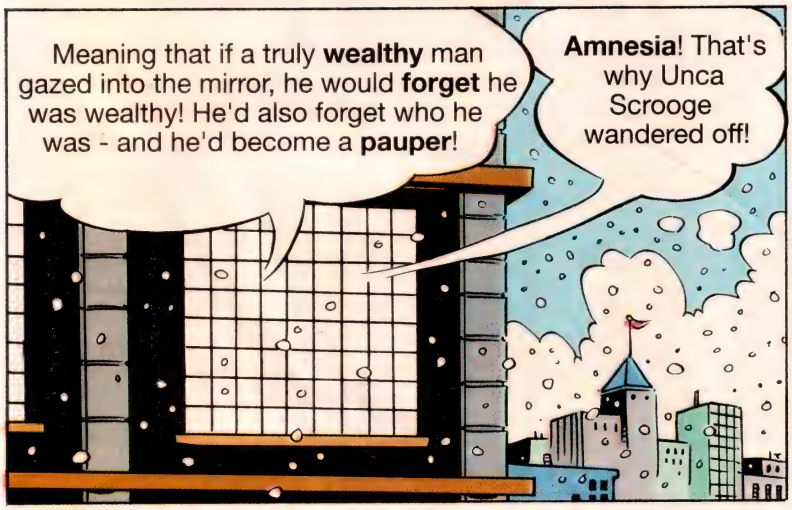


Well, someone's got to look at him, even if it's only himself! Let's get back to the chute before ...
Hang on, Unca Donald!
If we knew what these chicken scratches mean, it could give us the clue we're looking for!
But who's gonna read it - apart from chickens?
Soon ...
Quite a story, boys! And you **really** don't have any idea **what** this glass **is**?
Duckburg University Scribblology Dept.
No! That's why we came to **you**!
Do you know what it is, Prof?
Does it have anything to do with our Unca Scrooge's disappearance?
Oh, my, **yes**! Oh, that **poor** man! And I mean that **literally**!
Why?
This, boys, is the fabled **Pauper's Glass**! Until now it was thought to be a **myth**! It is said to have originated in ancient Sumeria! The ancient writing on the frame tends to **support** that!
This writing is called cuneiform - and it's the real thing!
What does it **say,** Prof?
It says that if a truly **poor man** - a **pauper** - should gaze into the glass, great wealth will come to him by **luck** or by **industry**!

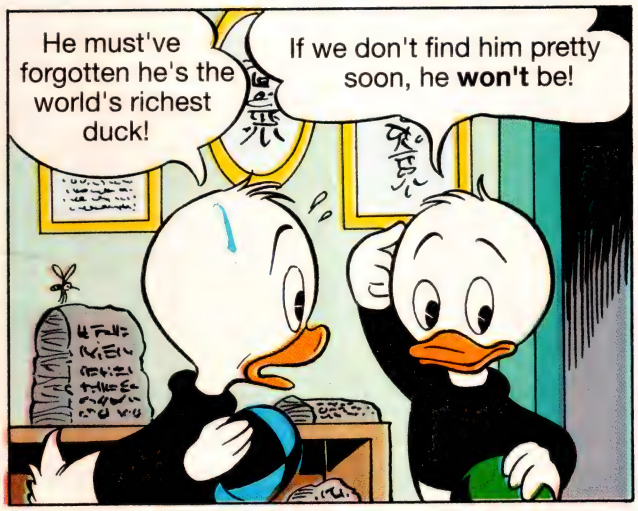


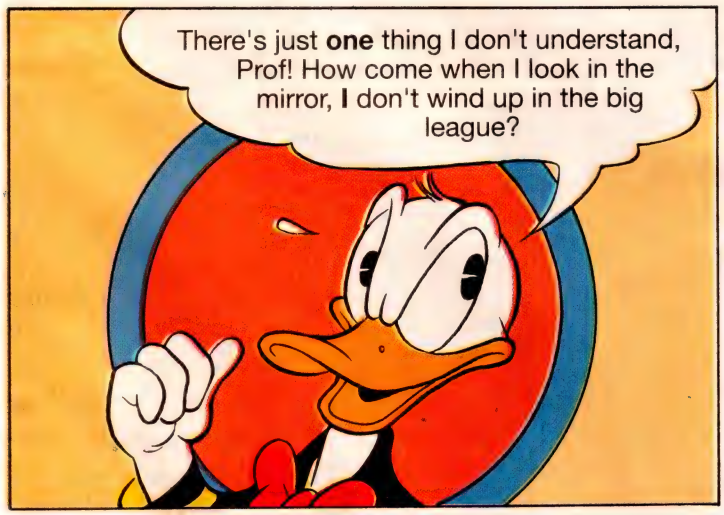
Unca Scrooge **acts** like he's poor! Maybe he thought he could **fool** the glass!
If that's true, he knew only about the **first half** of the mirror's power!

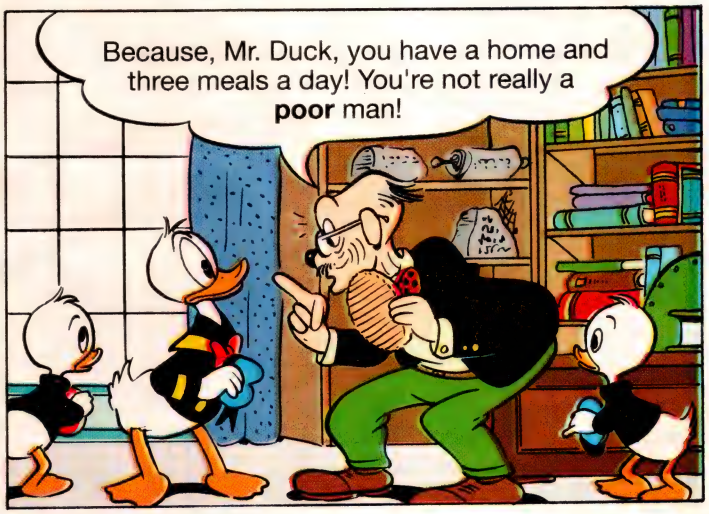


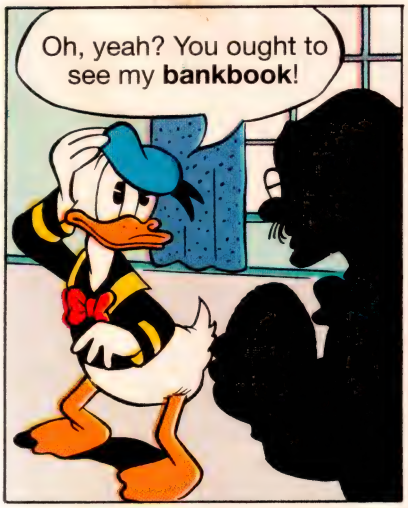


Meaning that if a truly **wealthy** man gazed into the mirror, he would **forget** he was wealthy! He'd also forget who he was - and he'd become a **pauper**!
Amnesia! That's why Unca Scrooge wandered off!

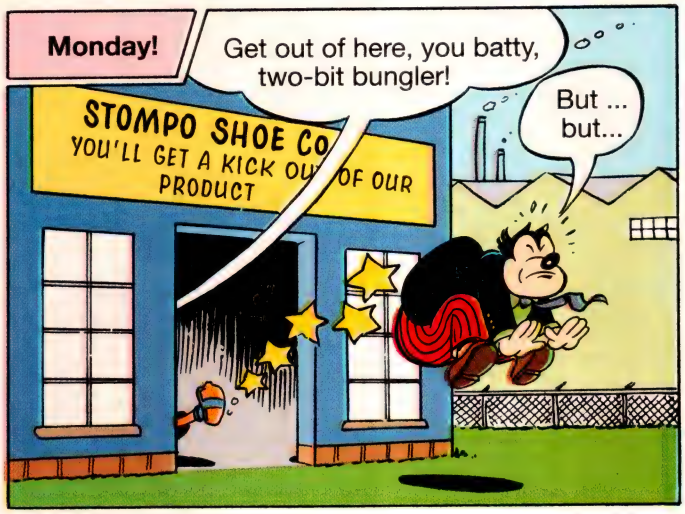


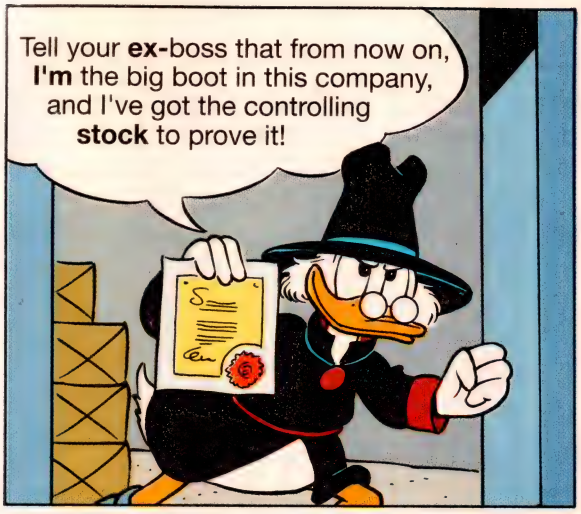


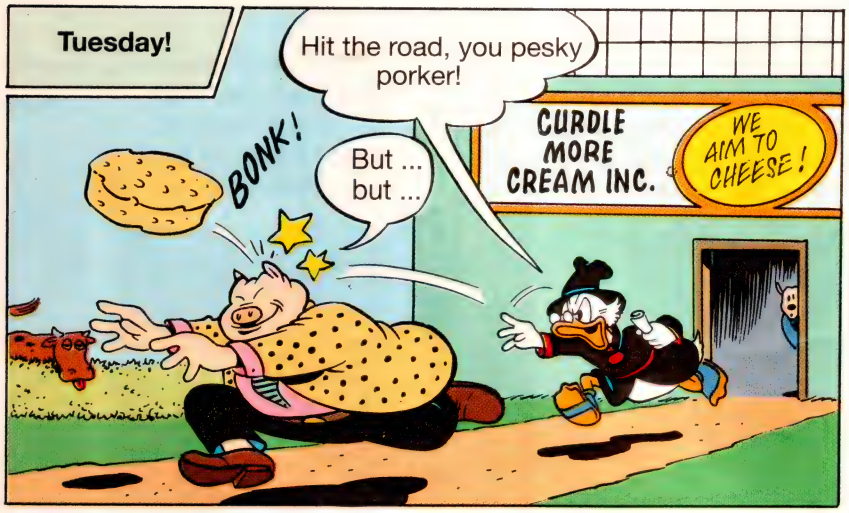


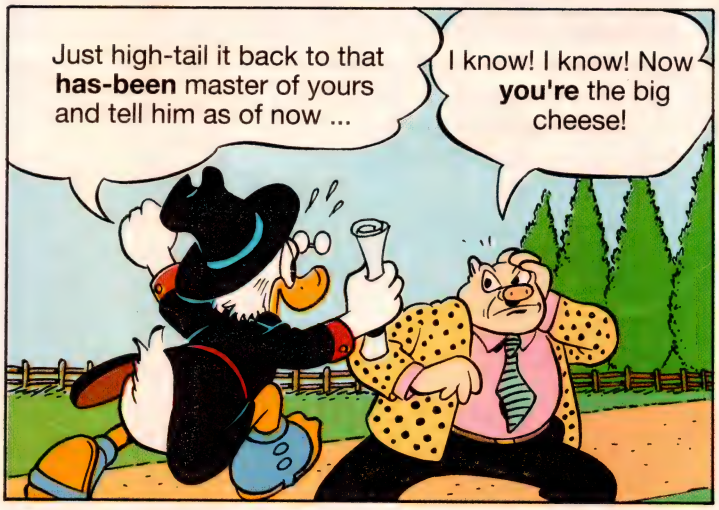


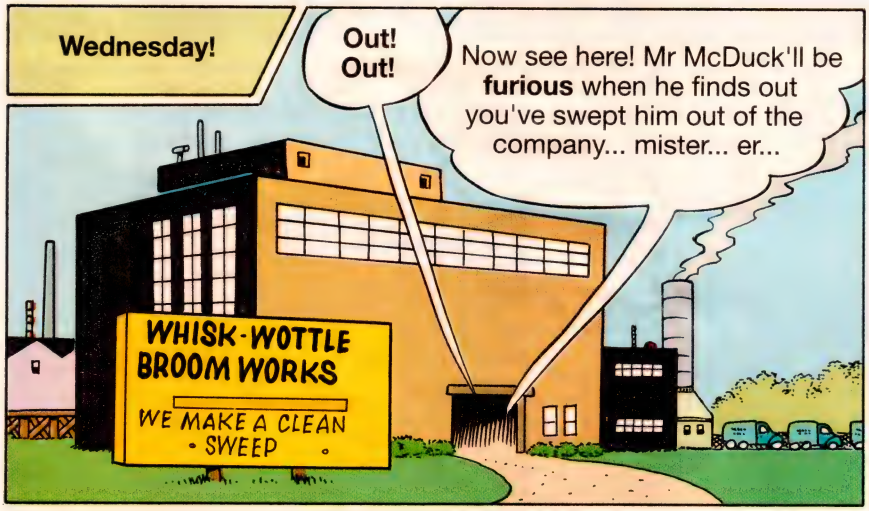
We now shift our scene and look in on the doings of that mysterious money man who's been nibbling away at Scrooge's empire...



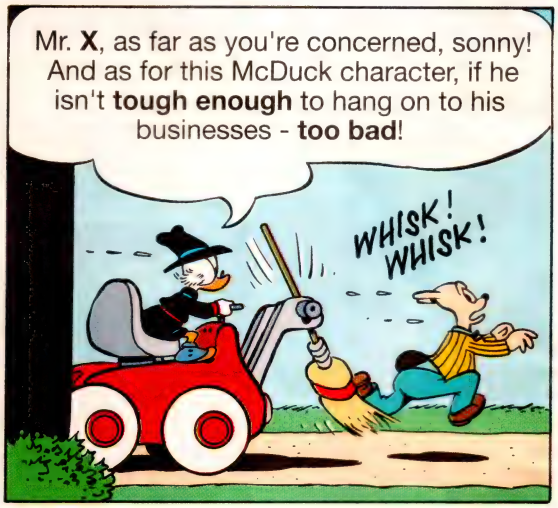




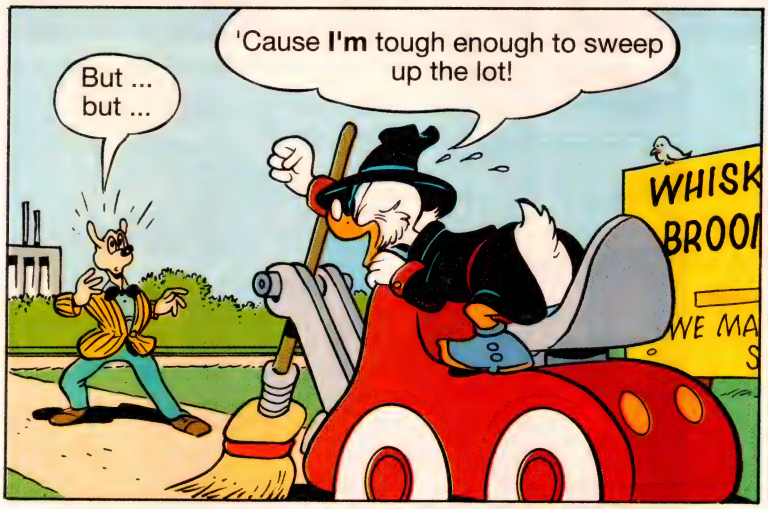




Wednesday!
Out! Out!
Now see here! Mr McDuck'll be **furious** when he finds out you've swept him out of the company... mister... er...
WHISK-WOTTLE BROOM WORKS
WE MAKE A CLEAN • SWEEP



Mr. **X**, as far as you're concerned, sonny! And as for this McDuck character, if he isn't **tough enough** to hang on to his businesses - **too bad**!
WHISK! WHISK!



Yikes! Who is Mister X? Where is Uncle Scrooge? Find out more next week!

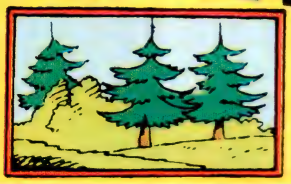
MICKEY'S PUZZLES

A SNAKE IN THE GRASS



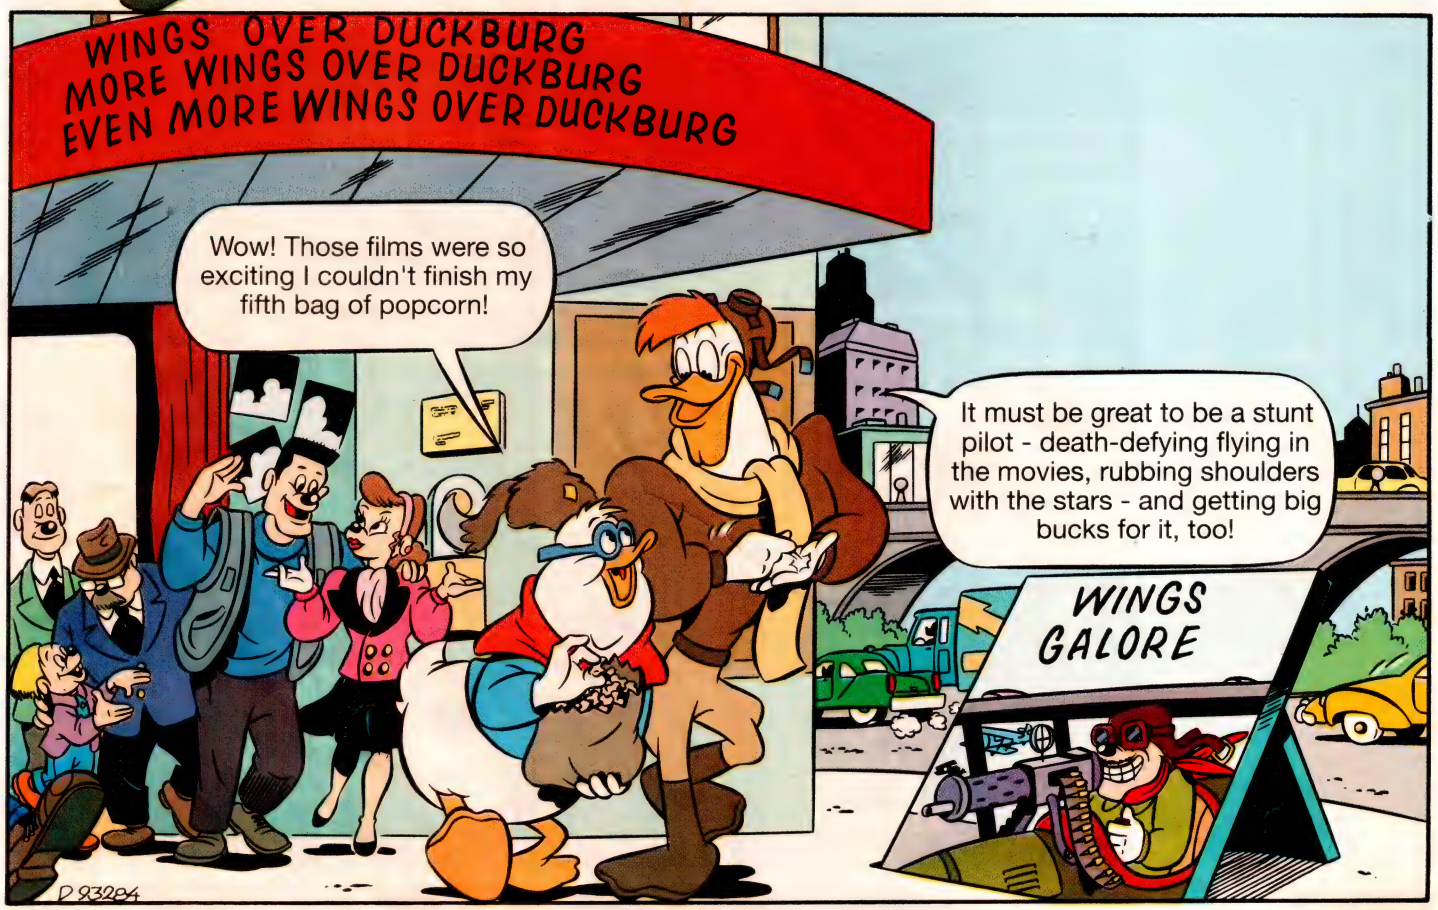
Let's play spacemen! You can be an alien!
Okay! My spaceship's over here!
Hey, look, Morty! I've found a baby snake!
Gee, I've never had a pet snake before!
Let's take it home with us! I don't suppose Uncle Mickey will mind...
But Uncle Mickey did mind..
What are you doing, kids? You can't bring a snake in here!
Can't we, Uncle?
No way! A creature like that belongs in the wild. Take it back to the woods at once!
But Morty and Ferdy made a home for the little snake...
We won't tell Uncle Mickey what we're doing!
That night ...
In bed already, boys? Did you take that snake back to the woods, like I told you?
Yes, we did, Uncle Mickey!
We even gave him some chocolate buttons as a farewell present! You should've seen him gobble them up!
Hmm. There's something funny going on here!
You can't fool me! I know that snake's still here! First thing in the morning you'll take it back, understand?
Oh, Uncle Mickey, we're sorry!
But how did you know...?

Well, can YOU answer Morty's question? What made Mickey suspicious? How did he know the snake was still in the house?

You'll find the answer on page 31.

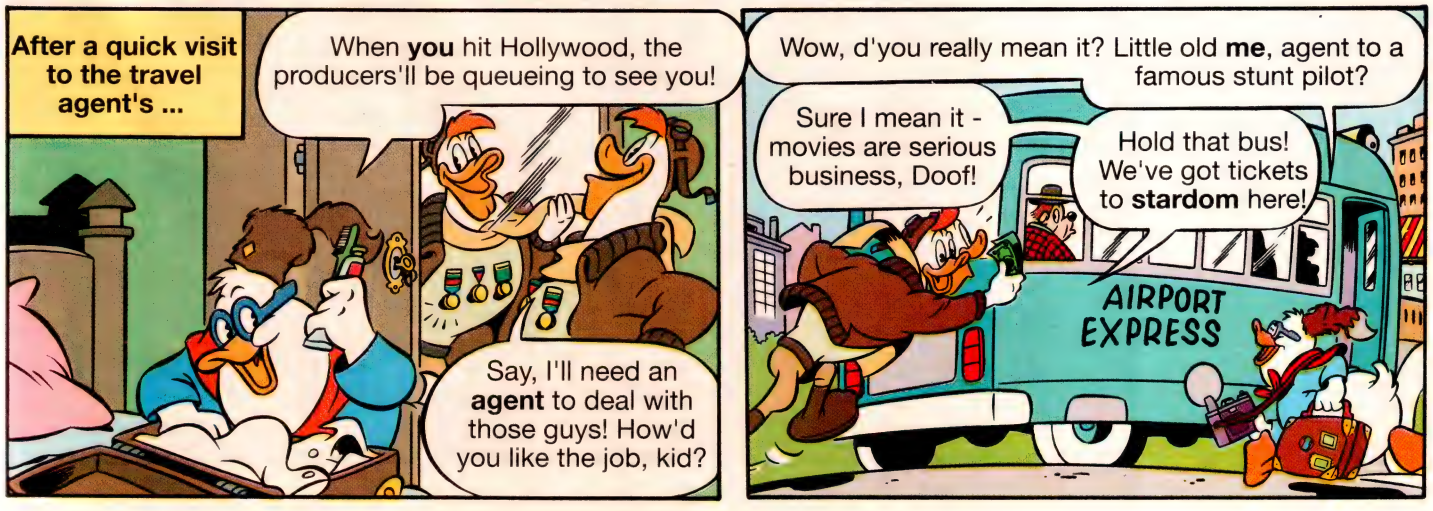
LAUNCHPAD MCQUACK

The Stunted Pilot



WINGS OVER DUCKBURG
MORE WINGS OVER DUCKBURG
EVEN MORE WINGS OVER DUCKBURG
Wow! Those films were so exciting I couldn't finish my fifth bag of popcorn!
It must be great to be a stunt pilot - death-defying flying in the movies, rubbing shoulders with the stars - and getting big bucks for it, too!
WINGS GALORE

You could get some of that show-biz action, Launchpad! Flying stunt planes would be a **breeze** for you!
You're darn right! Why, I'm a **natural-born** stunt pilot if ever there was one!
You're handsome, daring, and you can fly anything with two wings! Go for it, buddy-boy!
Yeah, I'm too big for Duckburg! I've flown more than all those Hollywood sky-jockeys put together. The movie business **needs** me!



After a quick visit to the travel agent's ...
When **you** hit Hollywood, the producers'll be queueing to see you!
Say, I'll need an **agent** to deal with those guys! How'd you like the job, kid?
Wow, d'you really mean it? Little old **me**, agent to a famous stunt pilot?
Sure I mean it - movies are serious business, Doof!
Hold that bus! We've got tickets to **stardom** here!
AIRPORT EXPRESS

Next day, in Hollywood ...
DAZZLE STUDIOS
Er, have your people call my people!
BOOT!
Right then, my client will take his talent **elsewhere**, ya big ape!
(Sigh!) Five studios and five rude rejections - some agent **I've** been!
If I could just get inside and show those movie guys my stunts, they'd love me!
Wait a sec! If all you need is to get on to the studio lot, that's dead easy!
Good thinkin', pal! I **knew** there was a reason I hired you....
DAZZLE STUDIOS TOURS
TICKETS
Shortly ...
LAST GULP SALOON
We're slowing down - get ready to jump ship!
Oh, it's those two gate-crashers again, eh?
Hold it, buster!
You yahoos just bought yourselves one-way tickets outta here!
Hey, cut it out - I can't **see**!
CLICK!

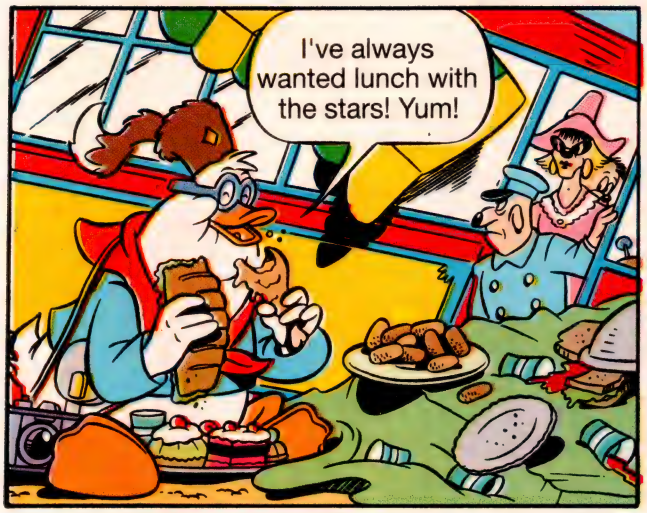
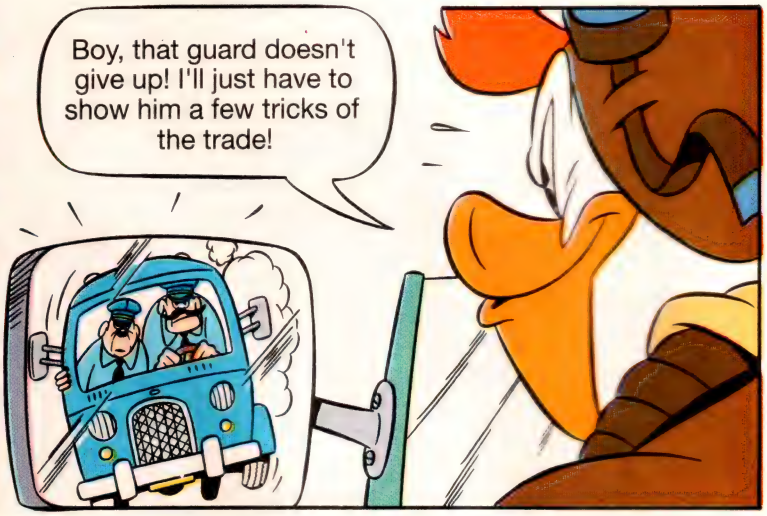
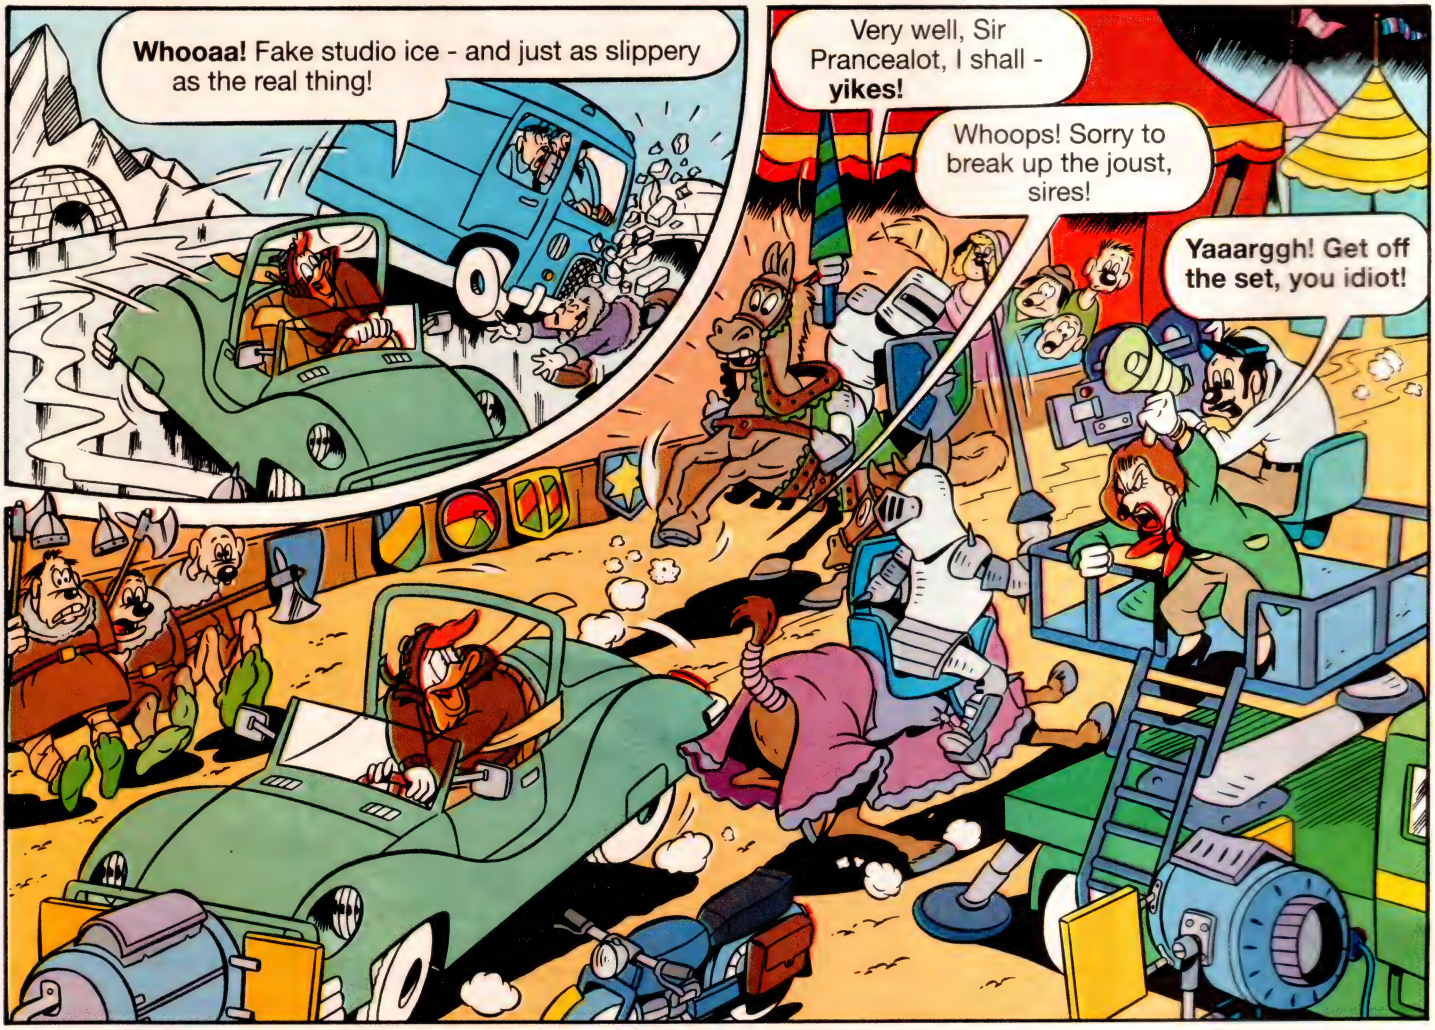
But I guess we agents have to do crazy things for our star clients sometimes!
STUDIO MOTOR POOL
(Puff!) This looks promising ...
Okay, this baby's ready for a road test!
It's only a car - but it might be my only chance to show my stuff!
Wanna see this thing move, Buster?
Hey, you're not the usual stunt driver! Stop!
SLAM!
Stand clear, folks! Let's see what this wheelie-bin's made of! YEEEEEE-HAH!
Hey!
Look out!
Cowabunga!
VROOOM!
Oof! Tell that lunatic driver that he's fired!
I oughta get noticed now!
Looks like Launchpad has to work his way up to a stunt plane!
CRASH!
SMASH!



I've always wanted lunch with the stars! Yum!

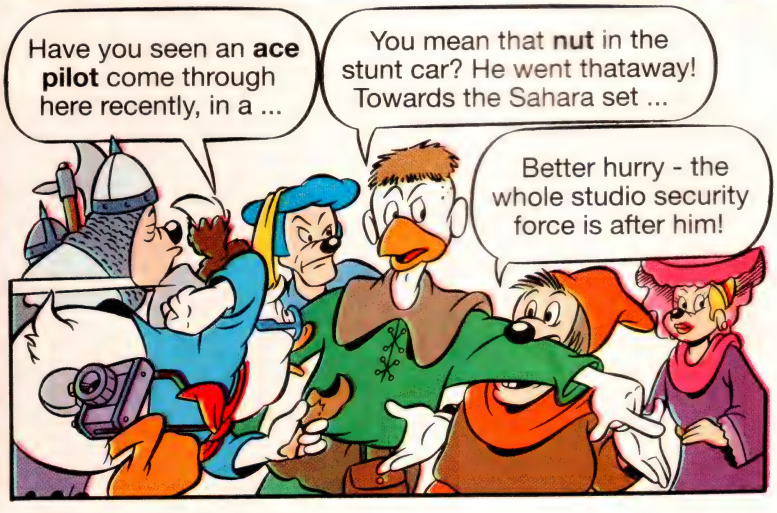


Boy, that guard doesn't give up! I'll just have to show him a few tricks of the trade!

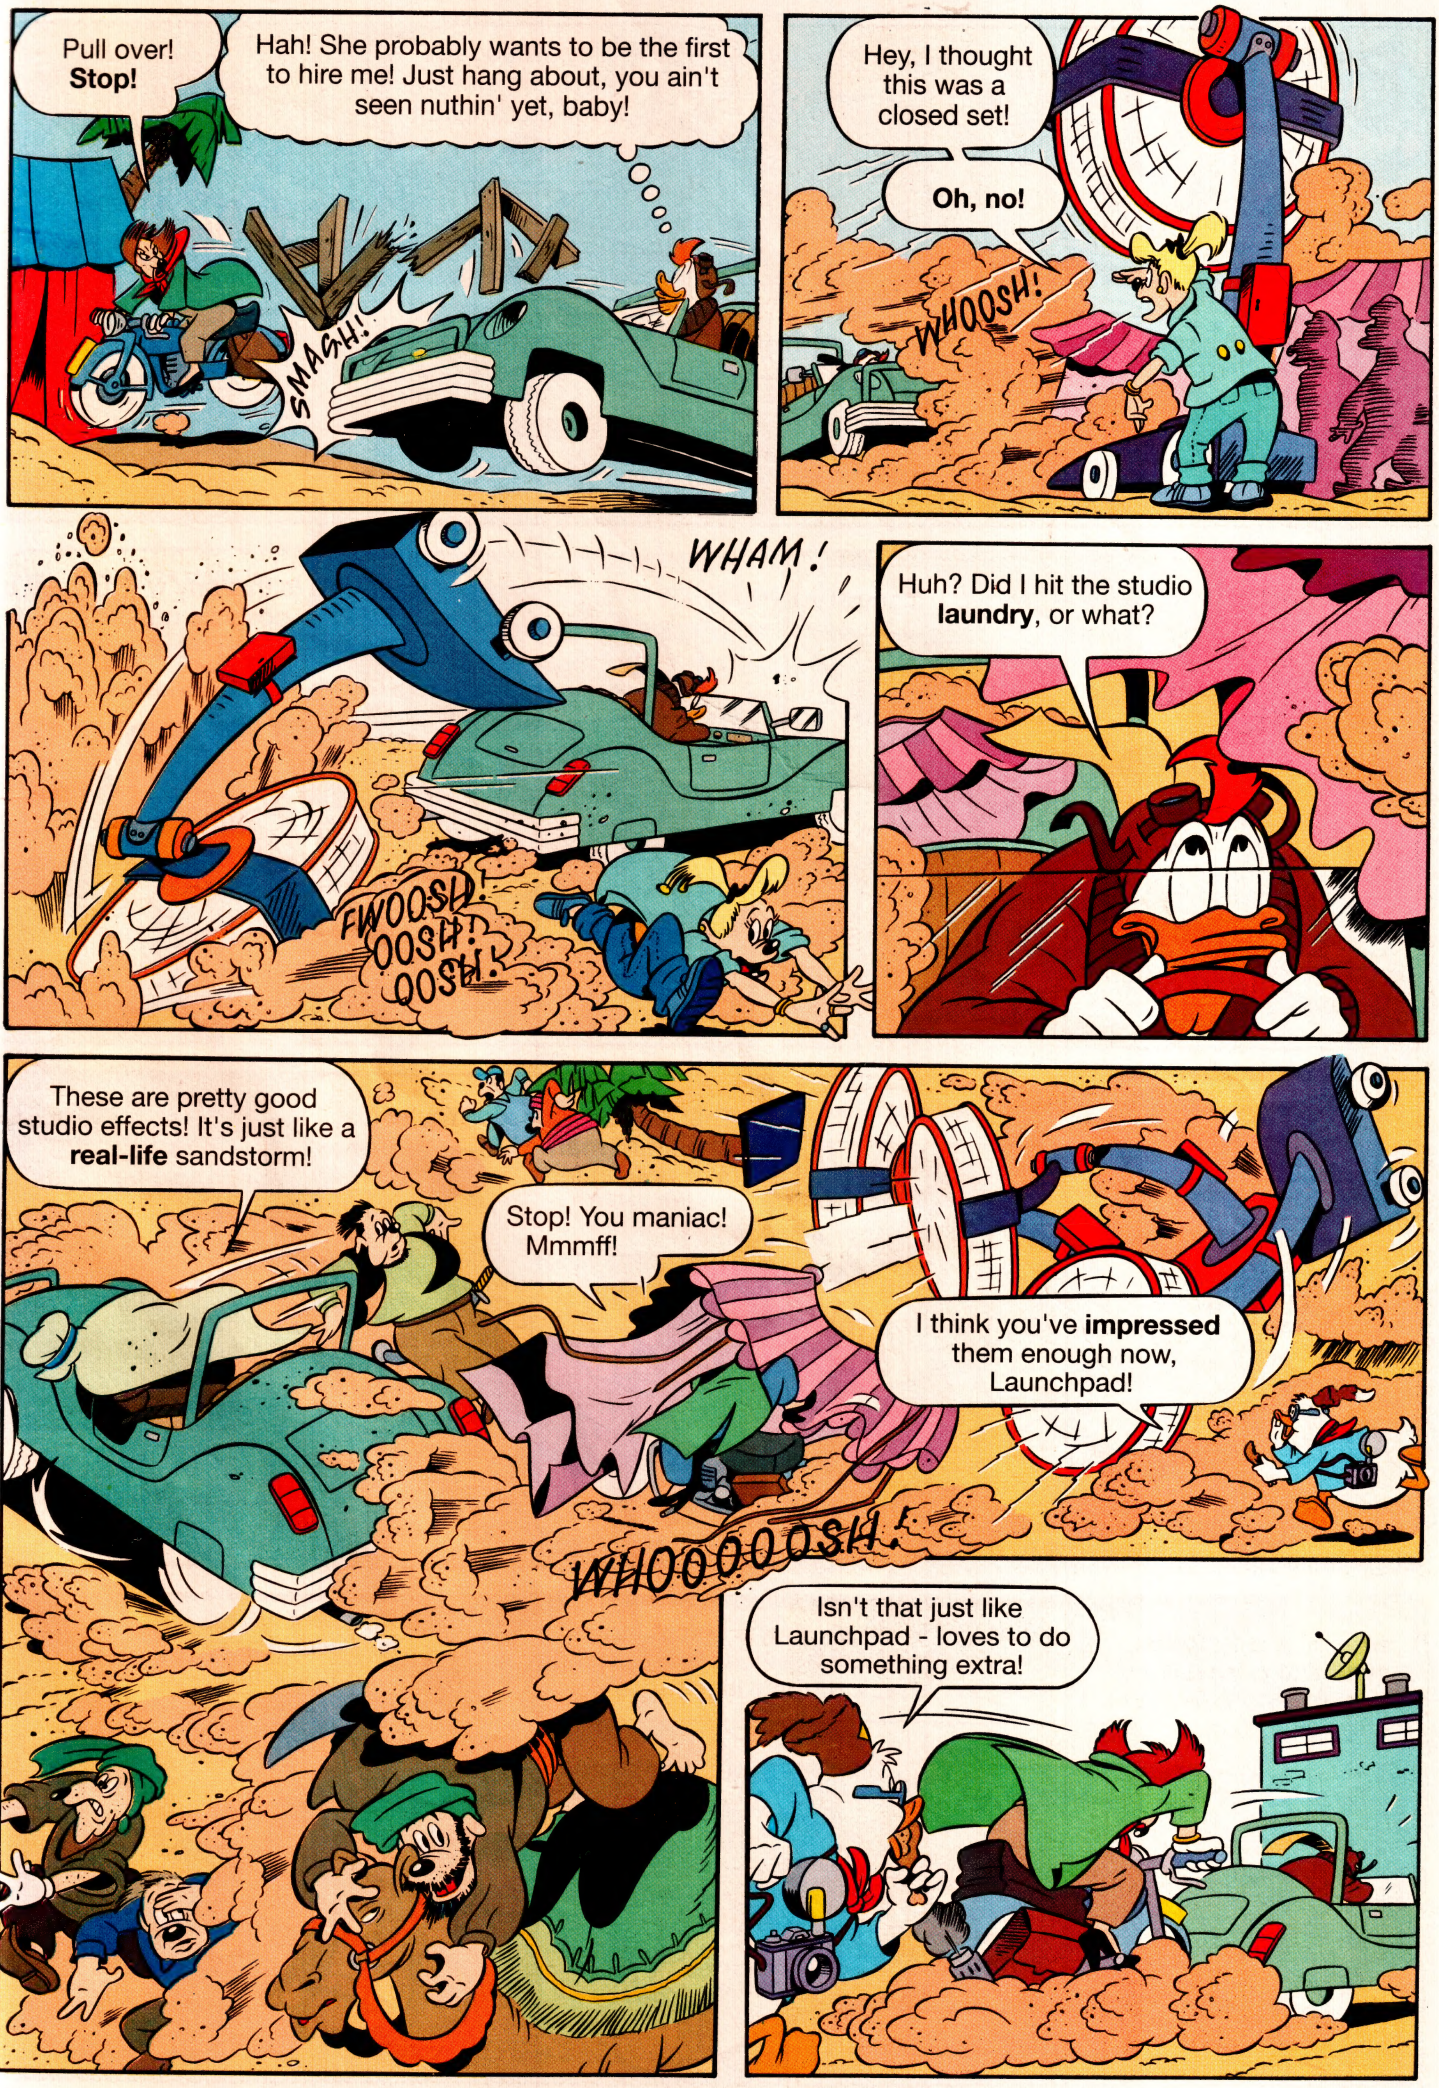


Whooaa! Fake studio ice - and just as slippery as the real thing!
Very well, Sir Prancealot, I shall - **yikes!**
Whoops! Sorry to break up the joust, sires!
Yaaarggh! Get off the set, you idiot!

After **nineteen takes**, that bozo **ruined** it! I'll teach him not to jest with my joust!



Have you seen an **ace pilot** come through here recently, in a ...
You mean that **nut** in the stunt car? He went thataway! Towards the Sahara set ...
Better hurry - the whole studio security force is after him!



Pull over! **Stop!**
Hah! She probably wants to be the first to hire me! Just hang about, you ain't seen nuthin' yet, baby!
SMASH!
Hey, I thought this was a closed set!
Oh, no!
WHOOSH!
WHAM!
FWOOSH! OOSH! OOSH!
Huh? Did I hit the studio **laundry**, or what?
These are pretty good studio effects! It's just like a **real-life** sandstorm!
Stop! You maniac! Mmmff!
I think you've **impressed** them enough now, Launchpad!
WHOOOOOSH!
Isn't that just like Launchpad - loves to do something extra!

Hey, whaddaya know - I'm getting some stunt-**flying** in after all!
Oompf!
BONK!
SLAM!
OW! Is that any way to treat a possible co-star?
CHOMP!
What did I ever do to you guys? I don't even like **turtle soup!**
CHOMP!
SNAP!
SNAP!
That was brilliant, kid! You're just the **stunt man** I'm looking for!
Didja hear that, Doof? **We did it!**
I always (puff!) knew you'd (pant!) make it big!
And so ...
I almost had to scrap my movie before I found McQuack! No other stunt man was brave enough to work on **"Attack of the Killer Turtles"**!
My client will be available for the **sequels,** sir!
SNAP!
CHOMP!
SNAP!
If I'm still alive! Sheesh!
